### REMARKS ORDERED PRINTED

On motion of Senator Bettencourt and by unanimous consent, the remarks by Senators Bettencourt and Birdwell regarding **SB 11** were ordered reduced to writing and printed in the *Senate Journal* as follows:

**Presiding Officer:** Senator Bettencourt, for what purpose?

**Senator Bettencourt:** Ask questions of the author.

**Presiding Officer:** Chairman Birdwell, will you yield?

**Senator Birdwell:** Yes, Sir, Mr. President.

**Senator Bettencourt:** As usual, Senator Birdwell, you're well-researched and well-prepared. Okay?

**Senator Birdwell:** Thank you, Sir.

**Senator Bettencourt:** I do want to go over kind of the conditions that have caused us to come to this step. Okay?

**Senator Birdwell:** Yes, Sir.

**Senator Bettencourt:** We're obviously looking at unprecedented numbers of border crossings to the tune of over 10,000 a day. True?

**Senator Birdwell:** That is, that is correct. And in fact, as one additional addendum, I learned yesterday that when I stood up here over the past times and said in my other layouts, we've received individuals from every country but North Korea. Yesterday, Director McCraw informed me that we've gotten three North Koreans since I said that back in June. So, we now can say every country in the world, including Canada, we've had people come across the southern border.

**Senator Bettencourt:** Okay. So, let's repeat that, that everybody can hear again. Basically, you're saying that we have now apprehended, for lack of a better description, or stopped—

**Senator Birdwell:** Detected and detained.

**Senator Bettencourt:** —detained, right, detained someone from every single country on the globe.

**Senator Birdwell:** That's correct. That's what—

**Senator Bettencourt:** I believe at last count there was somewhere around 192—

**Senator Birdwell:** A hundred and something like that. Yes, Sir. Yeah.

**Senator Bettencourt:** And because of the fact that, and that's quite an accomplishment, because they don't let the folks out of North Korea willingly. So, that would be kind of, you wonder what their occupation currently is.

**Senator Birdwell:** If they were let out willingly, that's probably probable cause to believe they're agents of espionage, but that's another story.

**Senator Bettencourt:** You have to, certainly, can't rule that out.

**Senator Birdwell:** Yeah.

**Senator Bettencourt:** So, we got over 10,000 crossings that are being detained. And so, you're taking the step of creating a new offense because there is no factor, supposition of fact, that the Biden Administration has succeeded in any of their border policy. They abjectly failed and this is why the State of Texas is going to have to take this next step. True?

**Senator Birdwell:** I believe that to be the case because ultimately, as I've said in previous layouts, the protection of the lives and property of the people of the State of Texas is our first obligation. The federal government is not just failing here, but in making its announcements of, come one, come all, the federal government is the largest trafficker of individuals in my view, while not in the sense of breaking a law, their lack of faithfulness to the, the administration in Washington's lack of faithfulness to the faithful execution of our laws has brought this situation to us. We've had over eight million people, not in Texas but across the totality of the four states of the southern border, over eight million people have come into the country. So, people have an understanding of what that means. If the total number of people that have come unlawfully into the country, that have been detected, not the getaways, but that's an estimate, but of those that have actually been detected, if you made them their own state they would be the 12th largest state by population in the United States. They would be north of Tennessee, south of Michigan in that list. And that is, and look, I take this seriously because, and I'm not trying to get emotional, but I wear the scars of not knowing who's in this country.

**Senator Bettencourt:** Say that again so everybody can hear.

**Senator Birdwell:** I wear the scars of not knowing who is in this country.

**Senator Bettencourt:** Right. And that was a point I was going to go to. And I do, if you mind a point of personal privilege—

**Senator Birdwell:** Sure.

**Senator Bettencourt:** —allow a little emotion to enter into the room, because, Members, I submit this, and for those that are listening, Senator Birdwell does wear the scars, 52 operations worth to be precise, of letting people into the country that have intention to do harm to Americans. And you only wonder with what we're doing at border crossings at 10,000 a day, how many people are like those 20 hijackers that came to America and who attacked the Pentagon, you know, from the sites from New York, the Pentagon, and those brave Americans that pulled that airliner out of the sky, because otherwise there would have been two places that would hit. And I want you to say to Texas and America why this bill is important. Because if there are people that have crossed, and the odds are overwhelmingly that there are people that have crossed the border that are going to do harm in this country. The question is when.

And you survived it, because you survived an airliner hitting the Pentagon at 500 miles an hour, and somehow, as a guy that studied plan operations in chemical plants, you survived breathing two-phase plasma, gas and liquid—

**Senator Birdwell:** Yeah.

**Senator Bettencourt:** —and you're here today. So, tell us what this bill might prevent and what you think as somebody who has survived this attack 22 years ago.

**Senator Birdwell:** Yeah. The challenge is, is that, you know, you're looking for the needle in the haystack given the volumes of people coming and the total number of, I'm sorry, the total number of people that we have in state law enforcement that are performing this function. First duty of government is to protect the liberties of its citizens, its economic well-being, its cultural well-being, having, I just, I got three friends buried in Arlington National Cemetery, Senator, and they paid for the liberties of this country. And I don't want to see an American go through what I did. I don't want to see an American or a Texan, you know, losing a limb or just criminal violence of murder, rape. We've got pedophiles that have come across, we've had over a hundred people on the terror watchlist come across. And yet many of those people have been transported by this administration into the interior of the country. That is a willful failure, and it's not one that I think the State of Texas can just simply suborn. We are operating inside the law, we are compelled to operate inside the law because if we start operating outside the law the way I believe this administration is—

**Senator Bettencourt:** Then we're no good as the other ones.

**Senator Birdwell:** —I mean, that's a cliff, not a slope, to anarchy. I'm trying to bring a soldier's discipline to this issue, recognizing the frustration that the rigor that we have to enforce this can only be what we can do lawfully as a state. The federal government retains the overwhelming majority of the ability to enforce this border. There are many women, men and women, that wear that uniform, the green uniform of the border patrol, and I've worked with many of them in Laredo to not just put this bill together, but other bills together and represent, or Senator Flores and I have, have had great experiences with them in our respective careers. I believe this bill is important, even with its challenges that my fellow Senators have expressed their concerns with that we're trying to ameliorate. We've got to stand on line at the river doing our best to protect the people of the State of Texas. And whether it's Governor Abbott or the Legislature or our judicial branch, the three branches of government of Texas are going to do their best to serve the people of Texas and their safety, even if the federal government won't.

**Senator Bettencourt:** You were asked why this bill is. And I wanted to ask these questions. Senator Hinojosa knows how emotional that answer was going to be. But you were asked why, and I wanted everyone to hear what the real answer was. And, and you always bring a military discipline, you are, in my mind, a national treasure. And we're happy to call you colleague here in the Senate.

**Senator Birdwell:** Thank you, Senator, I'm just a crispy, old guy. You know? So.

**Senator Bettencourt:** Yeah. Well, you know, after 52 operations you can claim any level of crispy that you want. Mr. President, I move that the exchange between Senator Birdwell and I be reduced to comments into the Journal.

~~[(2) for a district that operates under a flexible year program under Section 29.0821, the quotient of the sum of attendance for each actual day of instruction as permitted by Section 29.0821(b)(1) divided by the number of actual days of instruction as permitted by Section 29.0821(b)(1);~~

~~[(3) for a district that operates under a flexible school day program under Section 29.0822, the average daily attendance as calculated by the commissioner in accordance with Sections 29.0822(d) and (d-1)]; or~~

(b) A school district that experiences a decline of two percent or more in average enrollment [~~daily attendance~~] shall be funded on the basis of:

(1) the actual average enrollment [~~daily attendance~~] of the preceding school year, if the decline is the result of the closing or reduction in personnel of a military base; or

(2) subject to Subsection (e), an average enrollment [~~daily attendance~~] not to exceed 98 percent of the actual average enrollment [~~daily attendance~~] of the preceding school year, if the decline is not the result of the closing or reduction in personnel of a military base.

(c) The commissioner shall adjust the average enrollment [~~daily attendance~~] of a school district that has a significant percentage of students who are migratory children as defined by 20 U.S.C. Section 6399.

(d) The commissioner may adjust the average enrollment [~~daily attendance~~] of a school district in which a disaster, flood, extreme weather condition, fuel curtailment, or other calamity has a significant effect on the district's enrollment [~~attendance~~]. In addition to providing the adjustment for the amount of instructional days during the semester in which the calamity first occurred, an adjustment under this section may

only be provided based on a particular calamity for an additional amount of instructional days equivalent to one school year. The commissioner may divide the adjustment between two consecutive school years.

(e) For each school year, the commissioner shall adjust the average enrollment [~~daily attendance~~] of school districts that are entitled to funding on the basis of an adjusted average enrollment [~~daily attendance~~] under Subsection (b)(2) so that:

~~[(g 1) The commissioner shall adopt rules to calculate average daily attendance for students participating in a blended learning program in which classroom instruction is supplemented with applied workforce learning opportunities, including participation of students in internships, externships, and apprenticeships.]~~

(h) Time [~~Subject to rules adopted by the commissioner under Section 48.007(b), time~~] that a student participates in an off-campus instructional program provided by an entity other than a school district or open-enrollment charter school and approved by the commissioner in accordance with commissioner rule [~~under Section 48.007(a)~~] shall be counted as part of the minimum number of instructional hours required for a student to be considered a full-time student in average enrollment [~~daily attendance~~] for purposes of this section.

(i) A district or a charter school operating under Chapter 12 that operates a prekindergarten program is eligible to receive one-half of average enrollment [~~daily attendance~~] under Subsection (a) if the district's or charter school's prekindergarten program provides at least 32,400 minutes of instructional time to students.

(j) A district or charter school is eligible to earn full average enrollment [~~daily attendance~~] under Subsection (a) if the district or school provides at least 43,200 minutes of instructional time to students enrolled in:

(l) A school district campus or charter school described by Subsection (j) may operate more than one program and be eligible for full average enrollment [~~daily attendance~~] for each program if the programs operated by the district campus or charter school satisfy all applicable state and federal requirements.

(m) The commissioner shall adopt rules necessary to implement this section, including rules that:

(1) determine the method to calculate the average number of students enrolled in a school district during a school year;

(2) establish the minimum amount of instructional time per day that allows a school district or charter school to be eligible for full average enrollment [~~daily attendance~~], which may differ based on the instructional program offered by the district or charter school;

(3) [~~2~~] establish the requirements necessary for a school district or charter school to be eligible for one-half of average enrollment [~~daily attendance~~], which may differ based on the instructional program offered by the district or charter school;

(5) [~~4~~] allow a grade or course repeated under Section 28.02124 to qualify for average enrollment [~~daily attendance~~] even if the student previously passed or earned credit for the grade or course, if the grade or course would otherwise be eligible.

(a) Except as otherwise provided by this section, funding for an adult education program operated under a charter granted under this subchapter is an amount per participant through the Foundation School Program equal to the amount of state

funding per student in weighted average enrollment [~~daily attendance~~] that would be allocated under the Foundation School Program for the student's attendance at an open-enrollment charter school in accordance with Section 12.106.

(b) For purposes of determining the average enrollment [~~daily attendance~~] of an adult education program operated under a charter granted under this subchapter, a student is considered to be in average enrollment [~~daily attendance, with a 100 percent attendance rate,~~] for:

SECTION \_\_\_\_\_. Section 48.252(b), Education Code, is amended to read as follows:

(b) Notwithstanding any other provision of this chapter or Chapter 49, a school district subject to this section is entitled to receive for each student in average enrollment [~~daily attendance~~] at the campus or program described by Subsection (a) an amount equivalent to the difference, if the difference results in increased funding, between:

- (1) the amount described by Section 12.106; and
- (2) the amount to which the district would be entitled under this chapter.

SECTION \_\_\_\_\_. Section 48.2642(a), Education Code, is amended to read as follows:

SECTION \_\_\_\_\_. Section 48.273(a)(4), Education Code, is amended to read as follows:

(4) "Wealth per student" means the taxable property values reported by the comptroller to the commissioner under Section 48.256 divided by the number of students in average enrollment [~~daily attendance~~].

SECTION \_\_\_\_\_. Section 48.277(a), Education Code, is amended to read as follows:

(a) A school district or open-enrollment charter school is entitled to receive an annual allotment for each student in average enrollment [~~daily attendance~~] in the amount equal to the difference, if the difference is greater than zero, that results from subtracting the total maintenance and operations revenue per student in average enrollment [~~daily attendance~~] for the current school year from the lesser of:

(1) 103 percent of the district's or school's total maintenance and operations revenue per student in average enrollment [~~daily attendance~~] for the 2019-2020 school year that the district or school would have received under former Chapters 41 and 42, as those chapters existed on January 1, 2019; or

(2) 128 percent of the statewide average amount of maintenance and operations revenue per student in average enrollment [~~daily attendance~~] that would have been provided for the 2019-2020 school year under former Chapters 41 and 42, as those chapters existed on January 1, 2019.

SECTION \_\_\_\_\_. Section 49.001(2), Education Code, is amended to read as follows:

(2) "Weighted average enrollment [~~daily attendance~~]" has the meaning assigned by Section 48.202.

SECTION \_\_\_\_\_. Section 49.002, Education Code, is amended to read as follows:

Sec. 49.002. **OPTIONS TO REDUCE LOCAL REVENUE LEVEL.** A district with a local revenue level in excess of entitlement may take any combination of the following actions to reduce the district's revenue level:

(1) consolidation with another district as provided by Subchapter B;  
(2) detachment of territory as provided by Subchapter C;  
(3) purchase of average enrollment [~~daily attendance~~] credit as provided by Subchapter D;

(4) education of nonresident students as provided by Subchapter E; or

(5) tax base consolidation with another district as provided by Subchapter F.

SECTION \_\_\_\_\_. Section 49.003, Education Code, is amended to read as follows:

Sec. 49.003. **INCLUSION OF ATTENDANCE CREDIT AND NONRESIDENTS IN WEIGHTED AVERAGE ENROLLMENT [~~DAILY ATTENDANCE~~].** In determining whether a school district has a local revenue level in excess of entitlement, the commissioner shall use:

(1) the district's final weighted average enrollment [~~daily attendance~~]; and  
 (2) the amount of attendance credit a district purchases under Subchapter D or the number of nonresident students a district educates under Subchapter E for a school year.

SECTION \_\_\_\_\_. Section 49.158(a), Education Code, is amended to read as follows:

(a) Sections 49.154 and 49.157 apply only to a district that:

(1) executes an agreement to purchase attendance credit necessary to reduce the district's local revenue level to the level established under Section 48.257;

(2) executes an agreement to purchase attendance credit and an agreement under Subchapter E to contract for the education of nonresident students who transfer to and are educated in the district but who are not charged tuition; or

(3) executes an agreement under Subchapter E to contract for the education of nonresident students:

(A) to an extent that does not provide more than 10 percent of the reduction in local revenue required for the district to achieve a local revenue level that is equal to or less than the level established under Section 48.257; and

(B) under which all revenue paid by the district to other districts, in excess of the reduction in state aid that results from counting the weighted average enrollment [~~daily attendance~~] of the students served in the contracting district, is required to be used for funding a consortium of at least three districts in a county with a population of less than 40,000 that is formed to support a technology initiative.

SECTION \_\_\_\_\_. Section 49.201, Education Code, is amended to read as follows:

Sec. 49.201. AGREEMENT. The board of trustees of a district with a local revenue level in excess of entitlement may execute an agreement to educate the students of another district in a number that, when the weighted average enrollment [~~daily attendance~~] of the students served is added to the weighted average enrollment [~~daily attendance~~] of the contracting district, is sufficient, in combination with any other actions taken under this chapter, to reduce the district's local revenue level to a level that is equal to or less than the level established under Section 48.257. The agreement is not effective unless the commissioner certifies that the transfer of weighted average enrollment [~~daily attendance~~] will not result in any of the contracting districts' local revenue level being greater than the level established under Section 48.257 and that the agreement requires an expenditure per student in weighted average enrollment [~~daily attendance~~] that is at least equal to the amount per student in weighted average enrollment [~~daily attendance~~] required under Section 49.153.

SECTION \_\_\_\_\_. Section 49.203, Education Code, is amended to read as follows:

Sec. 49.203. WEIGHTED AVERAGE ENROLLMENT [~~WADA~~] COUNT. For purposes of Chapter 48, students served under an agreement under this subchapter are counted only in the weighted average enrollment [~~daily attendance~~] of the district providing the services, except that students served under an agreement authorized by Section 49.205 are counted in a manner determined by the commissioner.

SECTION \_\_\_\_\_. Section 49.257(b), Education Code, is amended to read as follows:

(b) Each component district shall bear a share of the costs of assessing and collecting taxes in proportion to the component district's share of weighted average enrollment [~~daily attendance~~] in the consolidated taxing district.

SECTION \_\_\_\_\_. Section 49.258, Education Code, is amended to read as follows:

Sec. 49.258. REVENUE DISTRIBUTION. The consolidated taxing district shall distribute maintenance tax revenue to the component districts on the basis of the number of students in weighted average enrollment [~~daily attendance~~] in the component districts.

SECTION \_\_\_\_\_. Sections 49.305(c) and (d), Education Code, are amended to read as follows:

(c) If the detachment of whole parcels or items of property as provided by Subsection (a) would result in a district's local revenue level that is less than the level established under Section 48.257 by more than the product of \$10,000 multiplied by weighted average enrollment [~~daily attendance~~], the commissioner may not detach the last parcel or item of property and shall detach the next one or more parcels or items of property in descending order of taxable value that would result in the school district having a local revenue level that is equal to or less than the level established under Section 48.257 by not more than the product of \$10,000 multiplied by weighted average enrollment [~~daily attendance~~].

(d) Notwithstanding Subsections (a), (b), and (c), the commissioner may detach only a portion of a parcel or item of property if:

(1) it is not possible under this subchapter to reduce the district's local revenue level to a level that is equal to or less than the level established under Section 48.257 unless some or all of the parcel or item of property is detached and the detachment of the whole parcel or item would result in the district from which it is detached having a local revenue level that is less than the level established under Section 48.257 by more than the product of \$10,000 multiplied by weighted average enrollment [~~daily attendance~~]; or

(2) the commissioner determines that a partial detachment of that parcel or item of property is preferable to the detachment of one or more other parcels or items having a lower taxable value in order to minimize the number of parcels or items of property to be detached consistent with the purposes of this chapter.

SECTION \_\_\_\_\_. Section 49.306(i), Education Code, is amended to read as follows:

(i) The commissioner may order the annexation of a portion of a parcel or item of property, including a portion of property treated as a whole parcel or item under Subsection (h), if:

(1) the annexation of the whole parcel or item would result in the district eligible to receive it in the appropriate priority order provided by this section having a local revenue level greater than the amount by which the product of \$10,000 multiplied by weighted average enrollment [~~daily attendance~~] exceeds the taxable value of property necessary to generate maintenance and operations tax revenue in the amount equal to the district's entitlement under Section 48.202(a-1)(2); or

(2) the commissioner determines that annexation of portions of the parcel or item would reduce disparities in district taxable values of property necessary to generate maintenance and operations tax revenue in the amount equal to a district's entitlement under Section 48.202(a-1)(2) more efficiently than would be possible if the parcel or item were annexed as a whole.

SECTION \_\_\_\_\_. Section 49.311, Education Code, is amended to read as follows:

Sec. 49.311. STUDENT ATTENDANCE. A student who is a resident of real property detached from a school district may choose to attend school in that district or in the district to which the property is annexed. For purposes of determining average enrollment ~~[daily attendance]~~ under Section 48.005, the student shall be counted in the district to which the property is annexed. If the student chooses to attend school in the district from which the property is detached, the state shall withhold any foundation school funds from the district to which the property is annexed and shall allocate to the district in which the student is attending school those funds and the amount of funds equal to the difference between the state funds the district is receiving for the student and the district's cost in educating the student.

SECTION \_\_\_\_\_. Section 49.354(e), Education Code, is amended to read as follows:

(e) A restored district's proportionate share of fund balances, personal property, or indebtedness is equal to the proportion that the number of students in average enrollment ~~[daily attendance]~~ in the restored district bears to the number of students in average enrollment ~~[daily attendance]~~ in the consolidated district.

SECTION \_\_\_\_\_. Section 403.104(d), Government Code, is amended to read as follows:

(d) The proportionate share of an independent school district is determined by multiplying the total amount of the payment available for distribution to school districts by the ratio that the average number of ~~[daily attendance for]~~ students who reside in the county and are enrolled in ~~[who attend]~~ that school district bears to the average number of ~~[daily attendance for]~~ all students who reside in the county and are enrolled in ~~[who attend]~~ any independent school district. However, if there are fewer than 10 independent school districts located in whole or part in the county and if an independent school district would receive under this formula less than 10 percent of the total payment available for distribution to independent school districts, the school district's share shall be increased to 10 percent of the total payment and the shares of the school districts that would receive more than 10 percent under the formula shall be reduced proportionately, but not to an amount less than 10 percent of the total payment. ~~[Each independent school district shall develop a reasonable method for determining the average daily attendance for students who reside in the county and who attend the school district.]~~

### STATEMENT REGARDING SENATE BILL 2

Senator Blanco submitted the following statement regarding **SB 2**:

For years our public schools and teachers have been asked to do more with less, while consistently ranking near the bottom for per-student funding and teacher pay. According to the National Education Association, Texas ranks 26th in teacher pay, paying nearly \$7,500 below the national average. Meanwhile, Texas ranks 40th in per-student spending. While I voted for this bill, which I believe is a step in the right direction, I will continue fighting for more per-pupil funding, bilingual education funding, and equality for rural and small and midsize districts, especially reforming appraisal estimates that shortchange our districts. We must also continue raising teacher pay to better attract and retain qualified and professional teachers.
