(Psalm 8) O God, father of all, we invoke Your blessing and divine assistance on this body of state Senators. Enlighten them with Your spirit and presence to awaken in every heart reverence for the work of Your hands, and renew among Your people a readiness to nurture, protect, and sustain Your precious gift of human life. Give them the courage to be concerned with and to promote the common good of all Texans from the beginning of their life to its natural end. Amen.

SENATE BILL 91 ON SECOND READING

Senator Van de Putte moved that Senate Rule 7.13, Senate Rule 7.07(a), and the regular order of business be suspended and that **SB 91** be taken up for consideration at this time on its second reading:

SB 91, Relating to point-of-sale health warnings for tobacco products.

The motion prevailed by the following vote: Yeas 30, Nays 0.

Absent-excused: Gallegos.

The bill was read second time and was passed to engrossment by a viva voce vote.

All Members are deemed to have voted "Yea" on the passage to engrossment except as follows:

Absent-excused: Gallegos.

SENATE BILL 91 ON THIRD READING

Senator Van de Putte moved that Senate Rule 7.18 and the Constitutional Rule requiring bills to be read on three several days be suspended and that **SB 91** be placed on its third reading and final passage.

The motion prevailed by the following vote: Yeas 29, Nays 1.

Nays: Wentworth.

Absent-excused: Gallegos.

Reason for Vote

Senator Wentworth submitted the following reason for vote on suspension of the Constitutional Three-day Rule:

I cast a "No" vote on the procedural motion to suspend the Constitutional Rule requiring that bills be read on three several days in order to take up and consider **SB 91**, because in my judgment no circumstance exists in this case to justify the extraordinary act of suspending a requirement of the Texas Constitution. The suspension of this Constitutional Rule has the direct and immediate effect of denying the people of Texas knowledge and notice of the passage of this measure until it has already been finally passed on third reading. Were we to have followed the requirement of the Texas Constitution, third reading and a vote on **SB 91** would have occurred on the next legislative day, allowing for Texans to have learned through news reports of our second reading vote exactly what we had tentatively passed. Third reading and a vote on the next legislative day would also have allowed our professional staff an opportunity overnight to make sure any amendments passed on second reading are technically correct.

/s/Jeff Wentworth
Senator, District 25

The bill was read third time and was passed by the following vote: Yeas 30, Nays 0.

Absent-excused: Gallegos.

SB 330, Relating to enforcement of certain vehicle weight and safety requirements by a noncommissioned employee of the Department of Public Safety of the State of Texas.

The motion prevailed by the following vote: Yeas 30, Nays 0.

SENATE BILL 330 ON THIRD READING

Senator Carona moved that Senate Rule 7.18 and the Constitutional Rule requiring bills to be read on three several days be suspended and that **SB 330** be placed on its third reading and final passage.

The motion prevailed by the following vote: Yeas 29, Nays 1.

Nays: Wentworth.

Absent-excused: Gallegos.

Reason for Vote

Senator Wentworth submitted the following reason for vote on suspension of the Constitutional Three-day Rule:

I cast a "No" vote on the procedural motion to suspend the Constitutional Rule requiring that bills be read on three several days in order to take up and consider **SB 330**, because in my judgment no circumstance exists in this case to justify the extraordinary act of suspending a requirement of the Texas Constitution. The suspension of this Constitutional Rule has the direct and immediate effect of denying the people of Texas knowledge and notice of the passage of this measure until it has already been finally passed on third reading. Were we to have followed the requirement of the Texas Constitution, third reading and a vote on **SB 330** would have occurred on the next legislative day, allowing for Texans to have learned through news reports of our second reading vote exactly what we had tentatively passed. Third reading and a vote on the next legislative day would also have allowed our professional staff an opportunity overnight to make sure any amendments passed on second reading are technically correct.
