COMMITTEE SUBSTITUTE

SENATE BILL 2105 ON SECOND READING

On motion of Senator Uresti and by unanimous consent, the regular order of business was suspended to take up for consideration CSSB 2105 at this time on its second reading:

CSSB 2105, Relating to limiting the liability of space flight entities.

The bill was read second time and was passed to engrossment by a viva voce vote.

All Members are deemed to have voted "Yea" on the passage to engrossment.

COMMITTEE SUBSTITUTE

SENATE BILL 2105 ON THIRD READING

Senator Uresti moved that Senate Rule 7.18 and the Constitutional Rule requiring bills to be read on three several days be suspended and that CSSB 2105 be placed on its third reading and final passage.

The motion prevailed by the following vote: Yeas 30, Nays 1.

Nays: Wentworth.

Reason for Vote

Senator Wentworth submitted the following reason for vote on suspension of the Constitutional Three-day Rule:

I cast a "No" vote on the procedural motion to suspend the Constitutional Rule requiring that bills be read on three several days in order to take up and consider CSSB 2105, because in my judgment no circumstance exists in this case to justify the extraordinary act of suspending a requirement of the Texas Constitution. The
suspension of this Constitutional Rule has the direct and immediate effect of denying the people of Texas knowledge and notice of the passage of this measure until it has already been finally passed on third reading. Were we to have followed the requirement of the Texas Constitution, third reading and a vote on CSSB 2105 would have occurred on the next legislative day, allowing for Texans to have learned through news reports of our second reading vote exactly what we had tentatively passed. Third reading and a vote on the next legislative day would also have allowed our professional staff an opportunity overnight to make sure any amendments passed on second reading are technically correct.

COMMITTEE SUBSTITUTE
SENATE BILL 89 ON THIRD READING

Senator Van de Putte moved that Senate Rule 7.18 and the Constitutional Rule requiring bills to be read on three several days be suspended and that CSSB 89 be placed on its third reading and final passage.

The motion prevailed by the following vote: Yeas 30, Nays 1.

Nays: Wentworth.

Reason for Vote

Senator Wentworth submitted the following reason for vote on suspension of the Constitutional Three-day Rule:

I cast a "No" vote on the procedural motion to suspend the Constitutional Rule requiring that bills be read on three several days in order to take up and consider CSSB 89, because in my judgment no circumstance exists in this case to justify the extraordinary act of suspending a requirement of the Texas Constitution. The suspension of this Constitutional Rule has the direct and immediate effect of denying the people of Texas knowledge and notice of the passage of this measure until it has already been finally passed on third reading. Were we to have followed the requirement of the Texas Constitution, third reading and a vote on CSSB 89 would have occurred on the next legislative day, allowing for Texans to have learned through news reports of our second reading vote exactly what we had tentatively passed. Third reading and a vote on the next legislative day would also have allowed our professional staff an opportunity overnight to make sure any amendments passed on second reading are technically correct.

Sec. 1952.059. **REQUIRED PROVISION: COVERAGE FOR UNNAMED DRIVERS.** (a) In addition to applying to the insurers subject to this chapter under Section 1952.001, this section applies to a county mutual insurance company.

(b) Except as provided by Subsections (c), (d), and (e), an insurer may not deliver or issue for delivery in this state a personal automobile liability insurance policy, including a policy provided through the Texas Automobile Insurance Plan Association under Chapter 2151, that covers liability arising out of the ownership, maintenance, or use of any motor vehicle unless the policy covers all family members of the named insured residing in the named insured's household and any other residents of the named insured's household.

(c) Subsection (b) does not apply if an insurer obtains the named insured’s rejection of the coverage otherwise required under that subsection, in writing, for all family members of the named insured residing in the named insured’s household and any other residents of the named insured’s household as provided by this subsection. The rejection document must specifically identify each person who resides in the named insured’s household who is not covered under the policy and include the named insured’s acknowledgement that the policy does not cover the persons identified in the rejection document. The rejection document must also include a notice that any other resident of the named insured’s household, regardless of whether the resident is a member of the named insured’s family, who is not specifically identified in the rejection document is not covered under the policy. Unless the named insured subsequently requests in writing the coverage rejected under this subsection,
the insurer is not required to provide that coverage in a renewal or reinstated insurance policy if the named insured rejected the coverage in writing in connection with an insurance policy issued to the insured by the same insurer or by an affiliated insurer.

(d) A policy issued under Subsection (c) must contain a notice with each renewal of the policy, or delivery of evidence of renewal, in at least 14-point type, that specifically identifies the family members residing in the named insured’s household and other residents of the named insured’s household who are not covered under the policy and a statement that any other resident of the named insured's household, regardless of whether the resident is a member of the named insured’s family, who is not specifically identified in the notice is not covered under the policy.

(e) This section does not prohibit an insurer from excluding from coverage under the policy only the family members residing in the named insured’s household or other residents of the named insured’s household who are specifically named as being excluded. An exclusion under this subsection must be in writing and must:

(1) include the name of the person excluded from coverage;
(2) be signed by the named insured; and
(3) be attached to the policy.

SENATE BILL 1843 ON THIRD READING

Senator Van de Putte moved that Senate Rule 7.18 and the Constitutional Rule requiring bills to be read on three several days be suspended and that SB 1843 be placed on its third reading and final passage.

The motion prevailed by the following vote: Yeas 30, Nays 1.

Nays: Wentworth.

Reason for Vote

Senator Wentworth submitted the following reason for vote on suspension of the Constitutional Three-day Rule:

I cast a "No" vote on the procedural motion to suspend the Constitutional Rule requiring that bills be read on three several days in order to take up and consider SB 1843, because in my judgment no circumstance exists in this case to justify the extraordinary act of suspending a requirement of the Texas Constitution. The suspension of this Constitutional Rule has the direct and immediate effect of denying the people of Texas knowledge and notice of the passage of this measure until it has already been finally passed on third reading. Were we to have followed the requirement of the Texas Constitution, third reading and a vote on SB 1843 would have occurred on the next legislative day, allowing for Texans to have learned through
news reports of our second reading vote exactly what we had tentatively passed. Third reading and a vote on the next legislative day would also have allowed our professional staff an opportunity overnight to make sure any amendments passed on second reading are technically correct.

4) On page 1, line 23, after the period insert the following:
