MOMENT OF SILENCE OBSERVED

At the request of Senator Watson, the Senate observed a moment of silence in honor of those who were killed and injured during the rally on August 12, 2017, in Charlottesville, Virginia.

REMARKS ORDERED PRINTED

On motion of Senator Nichols and by unanimous consent, the remarks regarding the event on August 12, 2017, in Charlottesville, Virginia, were ordered reduced to writing and printed in the *Senate Journal* as follows:

Senator Watson: Members, I rise to ask for the Senate to engage in a moment of silence for those who were killed and injured in Charlottesville, Virginia, on Saturday. Some of them stepped up to oppose the immoral hatred and bigotry and racism of the white supremacists that had descended upon Charlottesville, and they were targeted as a result. Others were public servants who stepped up to protect them, all of them. Our values should be equality, diversity, and love. They should also include the unconditional condemnation of hate and those who incite its ugly, divisive cancer. It pains me, as I know it pains you, that good Americans were harmed in the course of having to defend equality and unity. But the courage and commitment and the courage and commitment of so many others gives me hope. Because the only way to stop the scourge of hate is for good people to show up and speak out. Mr. President, I ask that we engage in a moment of silence as a representation of our shared values and to honor those injured and killed in Charlottesville. And it's my understanding that Senator Schwertner has something to say.

President: Senator Schwertner, you're recognized.

Senator Schwertner: Thank you, Mr. President. Thank you for your words, Senator Watson. These are the times that are trying for all of us as a society, as citizens of the United States. We all live under the United States Constitution, and while that Constitution grants individuals to assemble and peacefully espouse their views, it does not grant them the right to violence, to espouse views that incite violence. And unfortunately, though, it allows them to say hateful things and very narrow-minded worldview things. That First Amendment also allows us to respond in kind, to stand up and to say what we believe as a society, as Americans, as Texans. And as the representative of the Brazos Valley and Texas A&M University, I find it incumbent upon myself to stand up and say what was happening in Charlottesville is absolutely wrong. We should not stand, as you said, for bigotry, for violence, for racism. Instead, we should stand for friendship, not division; tolerance, not bigotry; and love, not hate. Thank you for your words, Senator Watson. I ask all of us to reflect on what we saw in Charlottesville and to reflect on those individuals potentially coming to Texas, to Texas A&M University, and how each and every one of us are going to respond if that occurs. Thank you, Mr. President.

President: Thank you, Senator. I know on our, my personal Facebook page, on Sunday, we were very strong, and we've had nearly 100,000 people view that post. This is something that everyone is very focused on in our state and in our country. So, thank you. Senator West, for what purpose?

Senator West: Just to make some comments, also. You know, even though as a Democrat in this body, it's been a rough summer, I'm proud to be a Senator today. Probably one of the proudest moments. Because hereto before, most instances, either they have myself or Senator Ellis, Senator Miles, or a Hispanic Senator talking about issues of hate that have gone unchecked in many corners of our society. Today, I didn't have to stand and bring this issue up. I read on the *Quorum Report* that Senator Schwertner plans on being at A&M, not only, I plan on being there myself. And I also understand that there will be a similar type rally held here in Austin on September the 2nd, I believe. We, as the Members of this body, in deploring types of activities that we saw on our television set last weekend, need to do everything within our power to make certain that those days gone by are not repeated. And I feel very strong that they won't be, given the, the number of people that have come out on both the Republican side and Democratic side and basically said, un-uh, we're not going back there, we're not going to do that, not here in America. And we're going to stand strong to make certain that those hate groups, be they neo-Nazi, be they Ku Klux Klan, be whatever type of terrorist, domestic terrorist groups that want to, quote, unquote, take us back to where we used to be, that we're going to stand together and make certain that that doesn't happen. So, I'm happy and I'm proud to be a Senator today, and of my colleagues here on the floor, that we're taking a few moments and making certain that we remember Heather Heyer and the two pilots that ended up dying this past weekend in Charlottesville, Virginia. So, Senator Watson, thank you for making certain that we stop a moment and reflect upon what occurred, and then we have to make certain, we have to agree upon what we're going to do as Texans to make certain that Texas

values are maintained here in the State of Texas and not values of racism, fascism, or whatever the case may, all those "isms," here in the State of Texas. So, thank you very much for what you've done. Thank you, Senator Schwertner.

President: Senator Whitmire.

Senator Whitmire: Mr. President, Senator West, you're absolutely right, it's a day to be proud to be a Member of the State Senate, to display our unity and our bipartisanship. And I don't think Senator Schwertner would mind me, at 10:53 last night, one Senator reached out to another. It was me to Senator Schwertner after I read of your bold position. At 10:53 I said, I sure gained a lot of respect for you tonight. Your stance is bold and correct. Don't look back. You're on the side of right. I'm proud of our friendship. That speaks volumes about how we, without a lot of notoriety, respect each other and support one another's position. And today, at 1:00, Senator Schwertner said, thank you, Dean. Senator Watson, thank you for bringing this matter before us. I think it's such a special moment that a tragedy brings this body together as it has our nation. Thank you, Senator Schwertner, Senator West.

President: Senator Lucio.

Senator Lucio: Thank you, Senator Watson. It makes me reflect a little bit about where I've been and where I was during a time of turmoil in our country. I remember my dad looking at television and actually weeping tears, big tears coming down his eyes when, you know, there was tremendous turmoil in our country in the '60s and civil rights era where Blacks were being kept out of, you know, universities that they wanted to attend, separate but equal. He, he just could not stand for that. He talked a little bit about why he voluntarily joined the Army Air Corps at the age of 25 because he wanted to make sure that we continue to, to be a great country and so his 10 children could grow up free and in a city like, in a community like we grew up in where discrimination was just nonexistent. And I remember my dad saying to, to all of us, all 10 of us, six boys and four girls, he said look, please don't hyphenate who you are. You're an American. Be proud of our culture, yes, everybody comes from a different, a different place on Earth who came to this, to this country. And he just preached, you know, peace, for, and he prayed for peace out loud. It was a daily thing for my dad and my mom to be able to reflect on who we should be. And as you know, that was the greatest generation that some of us were very fortunate to be part of in terms of their offspring. So, I sit here at mourning, you know, for the, the families who lost loved ones, but it's, it's a much bigger issue than that. It's just like Senator Schwertner and you and Senator West, Senator Whitmire have just articulated it. It's really time for us to identify who we really are as a nation under God, and include God in our everyday activities, which we fail to do. There are many times that we go through the day without even thinking how we got here and, and the fact that we're here for a purpose. We are 31 men and women and a Lieutenant Governor and staff and the press and everyone coming together, trying to do what's right for the people of Texas and representing everyone's needs, but especially making sure that everyone takes part at whatever we're trying to do at the table of Texas. You've heard me say that over and over again. But it's time for us to show the rest of the country who we are as a state and what we believe in and what, you know, we should be doing to make sure that we stand as one, one state under God. That's what our pledge tells us to do,

that's what we pledge to. So, when I hear my colleagues get up and speak as they do, it gives me great hope that we're really heading in the right direction, as long as we bring God with us, regardless of the churches or the faith that, what you believe in. As long as you believe that God is part of what we should be doing, then we're traveling the right road, and we will get to the promised land as Martin Luther King so ably articulated, where we can be judged by our character and not by the color of our skin. I, I prayed all night long. Right now, you know, people are dying. People are dying in my community, in your community, in every community, and families are hurting. We should be praying for them, for different reasons. Some at birth, and I'll talk about that tomorrow when I find out what happened to my niece in Dallas, Texas, and other people at 92, 95 years old. So, we should come together as a body and continue to support any kind of effort that will help people belong, you know, to each one of us. I want to see that before I go. I want to see that we can have a day without death unless it's natural, we can have a day that we can be very proud of in terms of our accomplishments and that it's inclusive of everyone. But I really am hurting, knowing that someone lost a daughter or a wife or a son or a brother-in-law that meant so much to them and that people are going to be, their lives have changed forever, and it's only because of one word, hate, that caused that change in life. So, we could eliminate that one word in our lifestyles, then I think we could, certainly, find a way to make, you know, our country, our state, our communities a better place to live so our families can enjoy a little bit of life as we're passing through and hopefully an eternal type of life because of our faith in the years to come. So, thank you very much for your words.

President: Senator Seliger.

Senator Seliger: Thank you, Mr. President and Members. I've been struck in the last few days by the things that it shows us and the things that I hope it teaches some Americans about some of the best things and some of the worst things in America. Among the best things are the unfettered and unlimited rights that we have to gather and to discuss issues and to say things no matter how reprehensible, how onerous, insidious they are. We have the rights to say it, and at the same time, we have the right to dispute those things and to protest them in return. I thought it was interesting as we saw it, if anyone has seen, I'm sure you have on TV, what will probably be a Pulitzer Prize-winning photograph of the man who was thrown up in the air by the car. An African American with his sneakers way above his head, and part of that violent thing, and then realized that Heather Heyer—it's a name we'll probably hear for a long time—was the young woman, Anglo, who was killed. There's a very important point there, is it, hate hurts us all, regardless of our color or ethnicity. It is insidious and it affects us all negatively. One of the best things about America, in that crowd there were White people and Black people and Latino people all standing up for the fact that this is a nation for all of us. I would like to think that Senator West is right and things that we've seen over the last few days and the public exhibition of them, the demonizing of those insidious influences, that we will learn and we won't see those things again, but we will. We would have thought that after the experiment with slavery, one of the, the, the most important things to accomplish before that generation was over was equality in this country, but we really didn't. Progress, yes, but then we get into the '40s, '50s, and '60s, and we had Jim Crow, and we've gotten past that. The simple fact of the matter is, is there will always be people who hate other people

for the color of their skin or their nationality, their ethnicity or their faith, we will never be past it. But it will always give well-meaning people the opportunity to teach young people the lessons, the most important of which, if we look at all of the things that have happened in the course of history that have been violent and destructive in wars, somebody can almost always find a lesson or example that has been of some use to future generations. There has never, ever been any positive influence in bigotry of any kind, and there never will be. And so, we go forward for this week, and what we'll see in College Station on the 11th are Black Texans and White Texans and Latino Texans, who I think believe fervently that Texas, the United States, and dignity is the right of us all in exactly equal measures. Thank you, Mr. President and Members.

President: Senator West.

Senator West: Members, I don't want to prolong this, but my, my 17, my 17-year-old grandson asked me yesterday, after viewing what occurred over the weekend, said, Paw Paw, will my generation be more like Martin Luther King or Malcolm X? I had to pause and listen to the hurt in his voice, the doubt as it relates to his ability to pursue the American dream. And frankly, I didn't answer the question. But based on conversations, speeches that we've had here on the Senate floor, I think that I'll be better able to give him advice as to whether he should be following Martin Luther King or Malcolm X. That's where we are in America today, generations trying to determine what direction to go in to make certain that they're able to pursue the American dream and participate in this country. Thank you.

President: Members, what happened in Charlottesville, my mom's hometown, where I spent a lot of time in, probably one of the most beautiful cities in America, the home of Jefferson. To see this hatred and bigotry is even more stunning. It's unspeakable, unacceptable, and un-American. And we are going to stand, in a moment, in silence, but we are going to stand as one, one body, to say to those in this state who share these thoughts, to those who would come to this state, not here, not now, not ever. We stand and condemn this together in the State of Texas and in the Texas Senate. Please stand together. Let's take a moment to pray for these victims, those injured, their families and friends who have lost their loved ones.

(Moment of silence)

President: Lord, please bless our state, show us Your path to peace. Help us turn away from hatred and bigotry that would separate us. We are all born in Your image, every one of us. We're all Americans, we're all children of God. We stand on Your word. We stand on the shoulders of our founding fathers of this country and this state, and this will not stand. In Your name. Thank you, Members.

Nays: Garcia, Menéndez, Miles, Rodríguez, Taylor of Collin, Whitmire.

REASON FOR VOTE

Senator Zaffirini submitted the following reason for vote on **HB 21**:

I voted for House Bill (HB) 21 because the limited relief it offers would provide hardship grants to seven school districts in Senate District 21 that otherwise would lose funding because of the expiration of Additional State Aid for Tax Relief (ASATR). Losing ASATR could damage significantly these districts' ability to provide a quality education to their students.

HB 21, however, does not go far enough to reform Texas' broken school finance system, which courts have found to be underfunded and "Byzantine." The legislature could have done more during this special session to reform our public school finance system to ensure equity, efficiency, and excellence. Without such meaningful, comprehensive reform, our state will continue to do a disservice to its children and jeopardize our future economic prosperity.

REMARKS ORDERED PRINTED

On motion of Senator Menéndez and by unanimous consent, the remarks by Senators Taylor of Galveston and Menéndez regarding Floor Amendment No. 8 to **CSHB 21** were ordered reduced to writing and printed in the *Senate Journal* as follows:

Presiding Officer: Senator Menéndez, for what purpose do you rise?

Senator Menéndez: I wanted to ask a question of the author of the amendment, but actually now I want to ask a question of the author of the bill, if it's possible.

Presiding Officer: Senator Taylor, do you yield?

Senator Taylor of Galveston: I yield.

Senator Menéndez: Thank you very much, Madame President. Senator Taylor, as I read this amendment and, quite frankly, I had drafted this very same amendment because there's a concern in the community that the possibility exists that if we make this transfer that somehow in order for the MCOs or someone not to lose money or for them not to, that they'll, that services may be cut or delayed or something could be affected. And so, I, as I read this amendment, it seems to me that it just seems pretty clear that we're not to have any reduction or negative affect on the scope or access of services funded through the strategy or the objective. I think that we're asking Health and Human Services, when they do this transfer, it's just to make sure that we don't have any, and I think it's, I want to applaud the author of the amendment, Senator Lucio, because in the past when we've asked Health and Human Services through a budget rider to go find savings and we said to them, but don't hurt services, there were such drastic cuts made that people were having their therapeutic services reduced or hurt. Now, I've heard that, no, there's no such example, but I'm hearing from constituents that there are. That's, I just see this as belts and suspenders. Now, if this amendment goes down, is it your, just for the sake of, of clarity, is it your intention that there would be no services negatively affected or that there would be no negative affect on the scope of access for services funded to our constituents?

Senator Taylor of Galveston: Yeah, and not only is it my intention that not happen, but we've also received assurances both from the MCOs and from Health and Human Services that that will not happen. So, I feel pretty calm in our position that this will be handled and taken care of without any kind of adverse effect on services.

Senator Menéndez: And so, I take you at your word. I believe that what you're telling me is the truth. The thing that I do get concerned with, because at times an agency's, agency personnel sometimes read things differently, so my only concern is since you, you believe so strongly, why can't we add this language as belts and suspenders and then if there seems to be a concern through the conference committee process, that y'all can either amend or change it or do something, but I just, I would feel more confident that if a lawyer for an agency were reading this that they wouldn't cut the services.

Senator Taylor of Galveston: Well, by the, the same reason you just used, someone may read it differently and say, well, we can't do it because it's going to—

Senator Menéndez: The transfer?

Senator Taylor of Galveston: —could, could do this, we don't do the transfer. And like I say, Senator Schwertner has an amendment that guarantees we're going to make the payment, the MCOs said that's going to work for them, that there will be no adverse effect on their services. So, I think we've already taken care of this with the, with the belts and suspenders with Senator—

Senator Menéndez: Alright.

Senator Taylor of Galveston: –Schwertner's amendment. I just don't want to have, like you said, someone misinterpret it and say, oh, I'm afraid this might happen, I'm not going to do the transfer, and then we're stuck. So, I'd say I have to oppose the amendment.

Senator Menéndez: I can understand, I can understand your concern. I would prefer to err on the side of caution towards our constituents and the services, but I understand, and I appreciate your taking my questions.

REMARKS ORDERED PRINTED

On motion of Senator Taylor of Collin and by unanimous consent, the remarks by Senators Taylor of Galveston and Hancock regarding **CSHB 21** were ordered reduced to writing and printed in the *Senate Journal* as follows:

President: Senator Hancock, for what purpose?

Senator Hancock: Like to ask the author a few questions, just, now that we're to this point.

President: Do you yield, Senator Taylor?

Senator Taylor of Galveston: I do.

Senator Hancock: Senator Taylor, I know we finished the regular session saying, you know, we had limited resources based on the revenue for the state and projections, and that when it comes to the TRS and education funding that, that we really felt like we did all we could with the monies that we had.

Senator Taylor of Galveston: I–

Senator Hancock: Would you agree–

Senator Taylor of Galveston: –think that's–

Senator Hancock: –with that statement?

Senator Taylor of Galveston: –I think that's a fair assessment.

Senator Hancock: And so, during the special session we were given a few charges, and in that we are making some decisions accounting-wise that will create some additional revenues but also leave us a little bit of a hole coming back in next session. Is that as well?

Senator Taylor of Galveston: I think that's correct as well.

Senator Hancock: So, as we look at that and the limited resources that we have available, because we've already spent all the resources we had available during the session, I think it's real important that the Members, before we get to the point of voting on this, that we really stop and slow down and address these one at a time. So, if you would address the base bill and the funding that we had there, how much was that?

Senator Taylor of Galveston: You ready for me to go? In the bill, as we started with, we were talking about like what we did in House Bill 21, very similar. We have a total in the original bill before the amendments, was 311 million. Now, as in the first year of the biennium, \$100 million for ASATR hardship grant, the second year is 50,

there's 150. We have 60 million in the second year of the biennium for facilities for public schools and 60 million for public charter schools in the second year, so that's 120. And then we had the 41 million, also in the second year of the biennium, for the small district adjustment penalty being removed, since we've had the bill on the floor. So, that was 311 to start with, we've added two amendments that had a cost to them. The autism and the dyslexia both are 10 million a year over the biennium. So, that's another 20 and 20, which left us at \$351 million.

Senator Hancock: So, the base education, so basically the base bill is now at 351, and that includes 60 million of charter funding that basically is kind of a new move.

Senator Taylor of Galveston: That is new. We—

Senator Hancock: And significant for the State of Texas in addressing, frankly, a majority minority students within our charter school system, was that accurate?

Senator Taylor of Galveston: That is accurate, and those are, those are systems with waiting lists where they actually have lotteries because they don't have the facilities to have, handle more students.

Senator Hancock: And so, we've, with the 351—

Senator Taylor of Galveston: And then we have one more amendment.

Senator Hancock: We have one more, which is really more than an amendment. What you're, with that last amendment, that's really another bill.

Senator Taylor of Galveston: It is. And that is the one for the retired teachers.

Senator Hancock: And that is going to be another bill really added to this piece of legislation that is significant funding to address the retired teachers and that—

Senator Taylor of Galveston: It, it's—

Senator Hancock: —system, as well. Is that accurate?

Senator Taylor of Galveston: —to address a need that, frankly, we found out about after we left here. When we started hearing about how what we had done, we tried do some restructuring and how it affected individual groups within the retired teacher organization. We had some real difficulties where people were putting, being put into really difficult situations. So, the fact that we're here in special, we have an opportunity to fix that. Senator Huffman spent a lot of time working on this, along with Senator Nelson, and that is a completely separate \$212 million that's added onto the school finance things that we're doing here in this bill already.

Senator Hancock: Right, and, and I think what's fair to say in the assessment of that, and while we're doing that, we're also, because of that additional funding that we're providing to the retired system, we're actually putting additional pressure on the state in the upcoming bienniums because of the move that we're doing here that, you know, we could agree to, we, I mean, we still have yet to take a vote. But that is a significant move because of the additional cost it's going to put on the state for bienniums to come, under the current structure, is that accurate?

Senator Taylor of Galveston: And that is accurate. And I think it's, you know, the, all the other things we were worried about keeping, you know, for the Public School Finance Commission, and this is a separate thing, dealing with our retired teachers. So, it is, it is different, and it is going to add some in the future, but we're going to have that.

Senator Hancock: And we're not borrowing from our schools to pay our schools—

Senator Taylor of Galveston: No.

Senator Hancock: —with this—

Senator Taylor of Galveston: No.

Senator Hancock: —method of funding, is that accurate?

Senator Taylor of Galveston: That is completely accurate.

Senator Hancock: Well, at this late in session and where we are, I understand how we have to stack bills on top of each other, but it's good to know that we're still at the 351 along with retirement system on top of that.

Senator Taylor of Galveston: Yeah—

Senator Hancock: So—

Senator Taylor of Galveston: —yeah, thank you for helping me clarify that.

Senator Hancock: —thank you, Mr. Chairman.

Senator Taylor of Galveston: Thank you, Senator Hancock.

Senator Hancock: Thank you, Mr. President.

POINT OF ORDER

Senator Watson raised a point of order that reconsideration of the vote on third reading for **CSHB 7** would be in violation of Senate Rule 6.10.

POINT OF ORDER RULING*

The President stated that the point of order was respectfully overruled.

***Explanation of Point of Order Ruling**

Senator Watson raised a point of order against reconsideration of House Bill 7 on passage to third reading under Rule 6.10 of the Senate Rules on the grounds that subsection (a) of Rule 6.10 only permits the reconsideration of a question on the same legislative day in which the vote was taken or on the next legislative day. Senator Watson further argues that subsection (b) of the rule does not protect House Bill 7 from the time limitations established under subsection (a) because the Senate did not precede the motion to reconsider with a motion to request the return of the bill to the Senate.

The journals show House Bill 7 was passed to third reading on the eighth legislative day, Friday, August 11, 2017, and subsequently finally passed on the ninth legislative day, also on August 11. The journals show that House Bill 7 was returned to the Senate for further consideration by the House on the ninth legislative day, Saturday, August 12, 2017. The House message indicates the bill was returned to the Senate due to non-germane amendments, firmly placing the bill in a stage of disagreement.

It is customary for the House and Senate to resolve disagreements through the use of conference committees. The Chair notes this practice is based on parliamentary law and has been historically governed by rules jointly adopted by the House and Senate. Legislative records indicate the last set of joint rules were adopted by the Legislature in 1975. Since then, the journals reveal an increasing number of House bills returned to the Senate for further consideration and without a concurrent request for a

conference committee. This recent House practice has subsequently led to the Senate's reliance on motions to reconsider as a mechanism to bring the houses into agreement on legislation.

The Chair cannot find precedent wherein either subsection of Rule 6.10 prevented the Senate's reconsideration of a House bill returned to the Senate under the same set of circumstances affecting House Bill 7. The Chair has found multiple instances where motions to reconsider were similarly admitted without regard for the time limitation established under subsection (a). It is likely previous presiding officers and members of the Senate recognized Rule 6.10 does not contemplate the return of bills from the House without a request from the Senate, and that receipt of a bill under these circumstances is not materially different from the receipt of a bill returned at the request of the Senate. The rule was written long before the House began this practice and is altogether silent on the matter.

The Chair is cognizant that the time limitation provided by subsection (a) of Rule 6.10 was established to protect the Senate from the use of motions to reconsider for dilatory purposes. However, the Chair must also consider the important parliamentary principle of prioritizing motions which tend to most quickly bring the House and Senate into agreement. The reconsideration of a bill returned from the House with objections and without a concurrent request for a conference committee is not patently dilatory and often results in an expedient adjustment of differences between the two houses. Moreover, the conditions for return of a bill under subsection (b) of the rule were not written to exclude a bill returned in this manner as the joint rules adopted at the time would have prevented this situation.

After careful analysis, the Chair finds that House Bill 7 is at the same parliamentary stage as bills contemplated by subsection (b) of Rule 6.10. In this light, the appropriate interpretation of Rule 6.10 is to permit the motion to reconsider House Bill 7 on passage to third reading. Accordingly, the point of order is respectfully overruled.

Nays: Creighton, Garcia, Hinojosa, Huffman, Lucio, Menéndez, Miles, Nelson, Rodríguez, Uresti, Watson, West, Whitmire, Zaffirini.

Question: Shall **CSHB 7** be passed to third reading?

Senator Kolkhorst moved to reconsider the vote by which Floor Amendment No. 1 to **CSHB 7** was adopted.

The motion prevailed by the following vote: Yeas 17, Nays 14.

REMARKS ORDERED PRINTED

On motion of Senator Rodríguez and by unanimous consent, the remarks by Senator Watson and the President regarding the point of order on **CSHB 7** were ordered reduced to writing and printed in the *Senate Journal* as follows:

President: Senator Watson, for what purpose?

Senator Watson: Mr. President, I rise to call a point of order on the motion to reconsider the committee substitute to House Bill 7. My point of order is based upon the Senate Rules, Senate Rule 6.10, related to reconsideration, which indicates that after a question shall have been decided, then it must, the motion to reconsider must occur on the same legislative day in which the vote was taken or on the next legislative day. Mr. President, I recognize that 6.10(b) contemplates that a bill may have already been sent to the House, 6.10(b) expressly states that the motion to reconsider shall be preceded by a motion to request the House or the Governor to return same. In this case, there has been no motion, that the motion, to request the House or the Governor to return same. I also understand that this bill was returned by the House, which may not be contemplated specifically by our rules. If, however, we interpret the return of the bill by the House to the Senate to be the functional equivalent of a motion to request the House or the Governor to return the bill, then my point of order would be that we are not in the same legislative day on which the vote was taken or on the next legislative day from when the bill was returned. If you look at the *Senate Journal*, it indicates that on the eighth legislative day, we are now on the 10th legislative day, the eighth legislative day, Friday, August 11, 2017, was the vote that was taken when this bill, as amended, was passed to third reading by the votes of 18 to 13. So, my point of order is that it would be out of order to now reconsider the third, the vote on which this bill was passed to third reading.

President: Senator Taylor, this is not a debatable motion. I cannot recognize you, it's not a debatable motion. Members, we've spent 40 minutes researching this. Our Parliamentarian, who is a person of the highest integrity, has spent all of her time looking at this, researching House records, Senate records, looking for precedent. There is no precedent. We share that with you. I respect your bringing it, but you are overruled.

Senator Watson: Thank you, Mr. President.

President: Thank you.

SENATE BILL 1 WITH HOUSE AMENDMENTS

Senator Bettencourt called **SB 1** from the President's table for consideration of the House amendments to the bill.

The President laid the bill and the House amendments before the Senate.

Amendment

Amend **SB 1** by substituting in lieu thereof the following:

A BILL TO BE ENTITLED
AN ACT

relating to the calculation of the ad valorem rollback tax rate of a taxing unit and voter approval of a proposed tax rate that exceeds the rollback tax rate.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF TEXAS:

SECTION 1. Section 26.012, Tax Code, is amended by adding Subdivision (18) to read as follows:

(18) "Small taxing unit" means:

(A) a taxing unit, other than a school district, for which the maintenance and operations tax rate proposed for the current tax year:

(i) is two cents or less per \$100 of taxable value; or

(ii) would impose taxes of \$25 million or less when applied to the current total value for the taxing unit; or

(B) a junior college district.

SECTION 2. Section 26.04, Tax Code, is amended by amending Subsection (c) and adding Subsection (c-1) to read as follows:

(c) An officer or employee designated by the governing body shall calculate the effective tax rate and the rollback tax rate for the unit, where:

(1) "Effective tax rate" means a rate expressed in dollars per \$100 of taxable value calculated according to the following formula:

EFFECTIVE TAX RATE = (LAST YEAR'S LEVY - LOST PROPERTY LEVY) / (CURRENT TOTAL VALUE - NEW PROPERTY VALUE)

; and

(2) "Rollback tax rate" means a rate expressed in dollars per \$100 of taxable value calculated according to the following applicable formula:

(A) for a small taxing unit:

ROLLBACK TAX RATE = (EFFECTIVE MAINTENANCE AND OPERATIONS RATE x 1.08) + CURRENT DEBT RATE

; or

(B) for a taxing unit other than a small taxing unit:

ROLLBACK TAX RATE = (EFFECTIVE MAINTENANCE AND OPERATIONS RATE x 1.06) + CURRENT DEBT RATE

(c-1) Notwithstanding any other provision of this section, the governing body of a taxing unit other than a small taxing unit may direct the designated officer or employee to calculate the rollback tax rate of the unit according to the formula applicable to a small taxing unit if any part of the unit is located in an area declared a disaster area during the current tax year by the governor or by the president of the

United States. The designated officer or employee at the direction of the governing body may continue calculating the rollback tax rate in the manner provided by this subsection until the earlier of:

(1) the first tax year in which the total taxable value of property taxable by the taxing unit as shown on the appraisal roll for the taxing unit submitted by the assessor for the taxing unit to the governing body exceeds the total taxable value of property taxable by the taxing unit on January 1 of the tax year in which the disaster occurred; or

(2) the third tax year after the tax year in which the disaster occurred.

SECTION 3. Section 26.041, Tax Code, is amended by amending Subsections (a), (b), and (c) and adding Subsection (c-1) to read as follows:

(a) In the first year in which an additional sales and use tax is required to be collected, the effective tax rate and rollback tax rate for the unit are calculated according to the following formulas:

$$\text{EFFECTIVE TAX RATE} = \frac{[(\text{LAST YEAR'S LEVY} - \text{LOST PROPERTY LEVY}) / (\text{CURRENT TOTAL VALUE} - \text{NEW PROPERTY VALUE})] - \text{SALES TAX GAIN RATE}}$$

~~[and]~~

$$\text{ROLLBACK TAX RATE FOR SMALL TAXING UNIT} = (\text{EFFECTIVE MAINTENANCE AND OPERATIONS RATE} \times 1.08) + \text{CURRENT DEBT RATE} - \text{SALES TAX GAIN RATE}$$

and

$$\text{ROLLBACK TAX RATE FOR TAXING UNIT OTHER THAN SMALL TAXING UNIT} = (\text{EFFECTIVE MAINTENANCE AND OPERATIONS RATE} \times 1.06) + \text{CURRENT DEBT RATE} - \text{SALES TAX GAIN RATE}$$

where "sales tax gain rate" means a number expressed in dollars per \$100 of taxable value, calculated by dividing the revenue that will be generated by the additional sales and use tax in the following year as calculated under Subsection (d) ~~[of this section]~~ by the current total value.

(b) Except as provided by Subsections (a) and (c) ~~[of this section]~~, in a year in which a taxing unit imposes an additional sales and use tax, the rollback tax rate for the unit is calculated according to the following applicable formula, regardless of whether the unit levied a property tax in the preceding year:

$$\text{ROLLBACK TAX RATE FOR SMALL TAXING UNIT} = \frac{[(\text{LAST YEAR'S MAINTENANCE AND OPERATIONS EXPENSE} \times 1.08) / ((\text{TOTAL}) \text{CURRENT TOTAL VALUE} - \text{NEW PROPERTY VALUE})] + (\text{CURRENT DEBT RATE} - \text{SALES TAX REVENUE RATE})}$$

or

ROLLBACK TAX RATE FOR TAXING UNIT OTHER THAN SMALL TAXING UNIT = [(LAST YEAR'S MAINTENANCE AND OPERATIONS EXPENSE x 1.06) / (CURRENT TOTAL VALUE - NEW PROPERTY VALUE)] + (CURRENT DEBT RATE - SALES TAX REVENUE RATE)

where "last year's maintenance and operations expense" means the amount spent for maintenance and operations from property tax and additional sales and use tax revenues in the preceding year, and "sales tax revenue rate" means a number expressed in dollars per \$100 of taxable value, calculated by dividing the revenue that will be generated by the additional sales and use tax in the current year as calculated under Subsection (d) ~~[of this section]~~ by the current total value.

(c) In a year in which a taxing unit that has been imposing an additional sales and use tax ceases to impose an additional sales and use tax, the effective tax rate and rollback tax rate for the unit are calculated according to the following formulas:

EFFECTIVE TAX RATE = [(LAST YEAR'S LEVY - LOST PROPERTY LEVY) / (CURRENT TOTAL VALUE - NEW PROPERTY VALUE)] + SALES TAX LOSS RATE

~~[and]~~

ROLLBACK TAX RATE FOR SMALL TAXING UNIT = [(LAST YEAR'S MAINTENANCE AND OPERATIONS EXPENSE x 1.08) / (~~[TOTAL]~~ CURRENT TOTAL VALUE - NEW PROPERTY VALUE)] + CURRENT DEBT RATE

and

ROLLBACK TAX RATE FOR TAXING UNIT OTHER THAN SMALL TAXING UNIT = [(LAST YEAR'S MAINTENANCE AND OPERATIONS EXPENSE x 1.06) / (CURRENT TOTAL VALUE - NEW PROPERTY VALUE)] + CURRENT DEBT RATE

where "sales tax loss rate" means a number expressed in dollars per \$100 of taxable value, calculated by dividing the amount of sales and use tax revenue generated in the last four quarters for which the information is available by the current total value and "last year's maintenance and operations expense" means the amount spent for maintenance and operations from property tax and additional sales and use tax revenues in the preceding year.

(c-1) Notwithstanding any other provision of this section, the governing body of a taxing unit other than a small taxing unit may direct the designated officer or employee to calculate the rollback tax rate of the unit according to the formula applicable to a small taxing unit if any part of the unit is located in an area declared a disaster area during the current tax year by the governor or by the president of the United States. The designated officer or employee at the direction of the governing body may continue calculating the rollback tax rate in the manner provided by this subsection until the earlier of:

(1) the first tax year in which the total taxable value of property taxable by the taxing unit as shown on the appraisal roll for the taxing unit submitted by the assessor for the taxing unit to the governing body exceeds the total taxable value of property taxable by the taxing unit on January 1 of the tax year in which the disaster occurred; or

(2) the third tax year after the tax year in which the disaster occurred.

SECTION 4. The heading to Section 26.043, Tax Code, is amended to read as follows:

Sec. 26.043. ROLLBACK AND EFFECTIVE TAX RATES [RATE] IN CITY IMPOSING MASS TRANSIT SALES AND USE TAX.

SECTION 5. The heading to Section 26.07, Tax Code, is amended to read as follows:

Sec. 26.07. ELECTION TO REDUCE TAX RATE OF SMALL TAXING UNIT [REPEAL INCREASE].

SECTION 6. Section 26.07(a), Tax Code, is amended to read as follows:

(a) If the governing body of a small taxing unit ~~[other than a school district]~~ adopts a tax rate that exceeds the taxing unit's rollback tax rate calculated as provided by this chapter, the qualified voters of the taxing unit by petition may require that an election be held to determine whether or not to reduce the tax rate adopted for the current year to the rollback tax rate calculated as provided by this chapter.

SECTION 7. The heading to Section 26.08, Tax Code, is amended to read as follows:

Sec. 26.08. ELECTION TO APPROVE TAX RATE OF TAXING UNIT OTHER THAN SMALL TAXING UNIT [RATIFY SCHOOL TAXES].

SECTION 8. Section 26.08, Tax Code, is amended by amending Subsections (a), (b), (d), (d-1), (d-2), (e), and (h) and adding Subsection (r) to read as follows:

(a) If the governing body of a taxing unit other than a small taxing unit ~~[school district]~~ adopts a tax rate that exceeds the taxing unit's ~~[district's]~~ rollback tax rate, the registered voters of the taxing unit ~~[district]~~ at an election held for that purpose must determine whether to approve the adopted tax rate. When increased expenditure of money by a school district is necessary to respond to a disaster, including a tornado, hurricane, flood, or other calamity, but not including a drought, that has impacted the [a] school district and the governor has requested federal disaster assistance for the area in which the school district is located, an election is not required under this section to approve the tax rate adopted by the governing body for the year following the year in which the disaster occurs.

(b) The governing body shall order that the election be held in the taxing unit ~~[school district]~~ on a date not less than 30 or more than 90 days after the day on which it adopted the tax rate. Section 41.001, Election Code, does not apply to the election unless a date specified by that section falls within the time permitted by this section. At the election, the ballots shall be prepared to permit voting for or against the proposition: "Approving the ad valorem tax rate of \$ ____ per \$100 valuation in (name of taxing unit ~~[school district]~~) for the current year, a rate that is \$ ____ higher per \$100 valuation than the [school district] rollback tax rate of (name of taxing unit),

for the purpose of (description of purpose of increase)." The ballot proposition must include the adopted tax rate and the difference between that rate and the rollback tax rate in the appropriate places.

(d) If the proposition is not approved as provided by Subsection (c), the governing body may not adopt a tax rate for the taxing unit ~~[school district]~~ for the current year that exceeds the taxing unit's ~~[school district's]~~ rollback tax rate.

(d-1) If, after tax bills for the taxing unit ~~[school district]~~ have been mailed, a proposition to approve the taxing unit's ~~[school district's]~~ adopted tax rate is not approved by the voters of the taxing unit ~~[district]~~ at an election held under this section, on subsequent adoption of a new tax rate by the governing body of the taxing unit ~~[district]~~, the assessor for the taxing unit ~~[school]~~ shall prepare and mail corrected tax bills. The assessor shall include with each bill a brief explanation of the reason for and effect of the corrected bill. The date on which the taxes become delinquent for the year is extended by a number of days equal to the number of days between the date the first tax bills were sent and the date the corrected tax bills were sent.

(d-2) If a property owner pays taxes calculated using the originally adopted tax rate of the taxing unit ~~[school district]~~ and the proposition to approve the adopted tax rate is not approved by the voters, the taxing unit ~~[school district]~~ shall refund the difference between the amount of taxes paid and the amount due under the subsequently adopted rate if the difference between the amount of taxes paid and the amount due under the subsequent rate is \$1 or more. If the difference between the amount of taxes paid and the amount due under the subsequent rate is less than \$1, the taxing unit ~~[school district]~~ shall refund the difference on request of the taxpayer. An application for a refund of less than \$1 must be made within 90 days after the date the refund becomes due or the taxpayer forfeits the right to the refund.

(e) For purposes of this section, local tax funds dedicated to a junior college district under Section 45.105(e), Education Code, shall be eliminated from the calculation of the tax rate adopted by the governing body of a ~~[the]~~ school district. However, the funds dedicated to the junior college district are subject to Section 26.085.

(h) For purposes of this section, increases in taxable values and tax levies occurring within a reinvestment zone under Chapter 311 (Tax Increment Financing Act), in which a school ~~[the]~~ district is a participant, shall be eliminated from the calculation of the tax rate adopted by the governing body of the school district.

(r) Except as otherwise expressly provided by law, this section does not apply to a tax imposed by a taxing unit if a provision of an uncodified local or special law enacted by the 85th Legislature, Regular Session, 2017, or by an earlier legislature provides that Section 26.07 does not apply to a tax imposed by the taxing unit.

SECTION 9. Section 26.16(d), Tax Code, is amended to read as follows:

(d) The county assessor-collector shall post immediately below the table prescribed by Subsection (c) the following statement:

"The county is providing this table of property tax rate information as a service to the residents of the county. Each individual taxing unit is responsible for calculating the property tax rates listed in this table pertaining to that taxing unit and providing that information to the county.

"The adopted tax rate is the tax rate adopted by the governing body of a taxing unit.

"The maintenance and operations rate is the component of the adopted tax rate of a taxing unit that will impose the amount of taxes needed to fund maintenance and operation expenditures of the unit for the following year.

"The debt rate is the component of the adopted tax rate of a taxing unit that will impose the amount of taxes needed to fund the unit's debt service for the following year.

"The effective tax rate is the tax rate that would generate the same amount of revenue in the current tax year as was generated by a taxing unit's adopted tax rate in the preceding tax year from property that is taxable in both the current tax year and the preceding tax year.

"The effective maintenance and operations rate is the tax rate that would generate the same amount of revenue for maintenance and operations in the current tax year as was generated by a taxing unit's maintenance and operations rate in the preceding tax year from property that is taxable in both the current tax year and the preceding tax year.

"The rollback tax rate is the highest tax rate a taxing unit may adopt before requiring voter approval at an election. In the case of a small taxing unit [~~other than a school district~~], the voters by petition may require that a rollback election be held if the unit adopts a tax rate in excess of the unit's rollback tax rate. In the case of a taxing unit other than a small taxing unit [~~school district~~], an election will automatically be held if the unit [~~district~~] wishes to adopt a tax rate in excess of the unit's [~~district's~~] rollback tax rate."

SECTION 10. Sections 31.12(a) and (b), Tax Code, as amended by S.B. 2242, Acts of the 85th Legislature, Regular Session, 2017, are amended to read as follows:

(a) If a refund of a tax provided by Section 11.431(b), 26.07(g), 26.08(d-2), 26.15(f), 31.11, 31.111, or 31.112 is paid on or before the 60th day after ~~the date~~ the liability for the refund arises, no interest is due on the amount refunded. If not paid on or before that 60th day, the amount of the tax to be refunded accrues interest at a rate of one percent for each month or part of a month that the refund is unpaid, beginning with the date on which the liability for the refund arises.

(b) For purposes of this section, liability for a refund arises:

(1) if the refund is required by Section 11.431(b), on the date the chief appraiser notifies the collector for the unit of the approval of the late homestead exemption;

(2) if the refund is required by Section 26.07(g), on the date the results of the election to reduce the tax rate are certified;

(3) if the refund is required by Section 26.08(d-2), on the date the subsequent tax rate is adopted;

(4) if the refund is required by Section 26.15(f):

(A) for a correction to the tax roll made under Section 26.15(b), on the date the change in the tax roll is certified to the assessor for the taxing unit under Section 25.25; or

(B) for a correction to the tax roll made under Section 26.15(c), on the date the change in the tax roll is ordered by the governing body of the taxing unit;

(5) ~~(4)~~ if the refund is required by Section 31.11, on the date the auditor for the taxing unit determines that the payment was erroneous or excessive or, if the amount of the refund exceeds the applicable amount specified by Section 31.11(a), on the date the governing body of the unit approves the refund;

(6) ~~(5)~~ if the refund is required by Section 31.111, on the date the collector for the taxing unit determines that the payment was erroneous; or

(7) ~~(6)~~ if the refund is required by Section 31.112, on the date required by Section 31.112(d) or (e), as applicable.

SECTION 11. Section 33.08(b), Tax Code, is amended to read as follows:

(b) The governing body of the taxing unit or appraisal district, in the manner required by law for official action, may provide that taxes that become delinquent on or after June 1 under Section 26.07(f), 26.08(d-1), 26.15(e), 31.03, 31.031, 31.032, 31.04, or 42.42 incur an additional penalty to defray costs of collection. The amount of the penalty may not exceed the amount of the compensation specified in the applicable contract with an attorney under Section 6.30 to be paid in connection with the collection of the delinquent taxes.

SECTION 12. Section 130.016(b), Education Code, is amended to read as follows:

(b) If the board of trustees of an independent school district that divests itself of the management, control, and operation of a junior college district under this section or under Section 130.017 ~~[of this code]~~ was authorized by ~~[Subsection (c) of]~~ Section 45.105(e) or under former Section 20.48(e) ~~[20.48 of this code]~~ to dedicate a portion of its tax levy to the junior college district before the divestment, the junior college district may levy an ad valorem tax from and after the divestment. In the first two years in which the junior college district levies an ad valorem tax, the tax rate adopted by the governing body may not exceed the rate that, if applied to the total taxable value submitted to the governing body under Section 26.04, Tax Code, would impose an amount equal to the amount of taxes of the school district dedicated to the junior college under ~~[Subsection (e) of]~~ Section 45.105(e) or former Section 20.48(e) ~~[20.48 of this code]~~ in the last dedication before the divestment. In subsequent years, the tax rate of the junior college district is subject to Section 26.07 or 26.08, Tax Code, as applicable.

SECTION 13. Sections 281.124(d) and (e), Health and Safety Code, are amended to read as follows:

(d) If a majority of the votes cast in the election favor the proposition, the tax rate for the specified tax year is the rate approved by the voters, and that rate is not subject to a rollback election under Section 26.07 or 26.08, Tax Code. (d) This subsection and Subsections (e)-(h) apply to a district only if the district is a small taxing unit. If the board [governing body] of the [a] district adopts a combined debt service, operation and maintenance, and contract tax rate that would impose more than 1.08 times the amount of tax imposed by the district in the preceding year on a residence homestead appraised at the average appraised value of a residence homestead in the district in that year, disregarding any homestead exemption available only to disabled persons or persons 65 years of age or older, the qualified voters of the district by petition may require that an election be held to determine whether [or not] to approve [reduce] the tax rate adopted for the current year [to the rollback tax rate] in accordance with the procedures provided by Subsections (e)-(h) of this section and Section [Sections 26.07(b) (g) and] 26.081, Tax Code.

A state law requiring local elections to be held on a specified date does not apply to the election unless a specified date falls within the time

permitted by this subsection. At the election, the ballots shall be prepared to permit voting for or against the proposition: "Approving the ad valorem tax rate of \$ _____ per \$100 valuation in (name of district) for the current year, a rate that is \$ _____ higher per \$100 valuation than the district's rollback tax rate, for the purpose of (description of purpose of increase)." The ballot proposition must include the adopted tax rate and the difference between that rate and the rollback tax rate in the appropriate places.

(h) Sections 26.08(c), (d), (d-1), and (d-2), Tax Code, apply to an election under Subsection (d) of this section in the same manner as those subsections apply to an election under Section 26.08, Tax Code.

(i) This subsection applies to a district only if the district is a taxing unit other than a small taxing unit. If the board of the district adopts a combined debt service, operation and maintenance, and contract tax rate that would impose more than 1.06 times the amount of tax imposed by the district in the preceding year on a residence homestead appraised at the average appraised value of a residence homestead in the district in that year, disregarding any homestead exemption available only to disabled persons or persons 65 years of age or older, an election must be held to determine whether to approve the tax rate adopted for the current year in accordance with the procedures provided by Sections 26.08(b), (c), (d), (d-1), and (d-2), Tax Code.

(j) For purposes of Subsection (d) [~~Sections 26.07(b) (g) and this subsection~~], the rollback tax rate of a district is the sum of the following tax rates:

(k) For purposes of Subsection (i), the rollback tax rate of a district is the sum of the following tax rates:

- (1) the current year's debt service tax rate;
- (2) the current year's contract tax rate; and
- (3) the operation and maintenance tax rate that would impose 1.06 times the amount of the operation and maintenance tax imposed by the district in the preceding year on a residence homestead appraised at the average appraised value of a residence homestead in the district in that year, disregarding any homestead exemption available only to disabled persons or persons 65 years of age or older.

(l) Notwithstanding any other provision of this section, the board of a district that is a taxing unit other than a small taxing unit may substitute "eight percent" for "six percent" in Subsection (a)(3)(B) and "1.08" for "1.06" in Subsections (i) and (k) if any part of the district is located in an area declared a disaster area during the current tax year by the governor or by the president of the United States. The board may continue doing so until the earlier of:

- (1) the first tax year in which the total taxable value of property taxable by the district as shown on the appraisal roll for the district submitted by the assessor for the district to the board exceeds the total taxable value of property taxable by the district on January 1 of the tax year in which the disaster occurred; or

(2) the third tax year after the tax year in which the disaster occurred.

(m) In this section:

(1) "Small taxing unit" has the meaning assigned by Section 26.012, Tax Code.

(2) "Taxing unit" has the meaning assigned by Section 1.04, Tax Code.

SECTION 20. The following provisions are repealed:

(d) If property damaged in a disaster is reappraised for a taxing unit as provided by this section, the governing body of the taxing unit shall provide for prorating the taxes on the property for the year in which the disaster occurred. The [If the taxes are] prorated[;] taxes due on the property are determined as follows: the taxes on the property based on its value on January 1 of that year are multiplied by a fraction, the denominator of which is 365 and the numerator of which is the number of days before the date the disaster occurred; the taxes on the property based on its reappraised value are multiplied by a fraction, the denominator of which is 365 and the numerator of which is the number of days, including the date the disaster occurred, remaining in the year; and the total of the two amounts is the amount of taxes on the property for the year.

(d) The no-new-revenue ~~[effective]~~ tax rate for a county is the sum of the no-new-revenue ~~[effective]~~ tax rates calculated for each type of tax the county levies and the rollback tax rate for a county is the sum of the rollback tax rates calculated for each type of tax the county levies.

(d-1) The designated officer or employee shall use the tax rate calculation forms prescribed by the comptroller under Section 5.07 in calculating the no-new-revenue tax rate and the rollback tax rate.

(d-2) The designated officer or employee may not submit the no-new-revenue tax rate and the rollback tax rate to the governing body of the taxing unit and the unit may not adopt a tax rate until the designated officer or employee certifies on the tax rate calculation forms that the designated officer or employee has accurately calculated the tax rates and has used values that are the same as the values shown in the unit's certified appraisal roll in performing the calculations.

(e) By August 7 or as soon thereafter as practicable, the designated officer or employee shall submit the rates to the governing body. (B) the amount by which taxes imposed for debt are to be increased because of the unit's anticipated collection rate; and

(4) the amount of additional sales and use tax revenue anticipated in calculations under Section 26.041;

(5) a statement that the adoption of a tax rate equal to the no-new-revenue ~~effective~~ tax rate would result in an increase or decrease, as applicable, in the amount of taxes imposed by the unit as compared to last year's levy, and the amount of the increase or decrease;

(6) in the year that a taxing unit calculates an adjustment under Subsection (i) or (j), a schedule that includes the following elements:

(7) in the year following the year in which a taxing unit raised its rollback tax rate as required by Subsection (j), a schedule that includes the following elements:

(e-2) By August 7 or as soon thereafter as practicable, the chief appraiser of each appraisal district shall deliver by regular mail or e-mail to each owner of property located in the appraisal district a notice that the estimated amount of taxes to be imposed on the owner's property by each taxing unit in which the property is located may be found in the property tax database maintained by the appraisal district under Section 26.17. The notice must include:

(1) the following statement:

"PROPOSED (tax year) PROPERTY TAX BILL INFORMATION

"Information concerning the property taxes that may be imposed on your property by local taxing units, the dates and locations of any public hearings on the tax rates of the taxing units, and the dates and locations of meetings of the governing bodies of the taxing units to vote on the tax rates, together with other important property tax information, may be found at the website listed below:

"(address of the Internet website at which the information may be found)";

(2) a statement that the property owner may request from the county assessor-collector contact information for the assessor for each taxing unit in which the property is located, who must provide the information described by this subsection to the owner on request; and

(3) the address and telephone number of the county assessor-collector.

(e-3) The heading of the statement described by Subsection (e-2)(1) must be in bold, capital letters in typeset larger than that used in the other provisions of the notice.

(e-4) The comptroller may adopt rules regarding the format and delivery of the notice required by Subsection (e-2).

(f) If as a result of consolidation of taxing units a taxing unit includes territory that was in two or more taxing units in the preceding year, the amount of taxes imposed in each in the preceding year is combined for purposes of calculating the no-new-revenue ~~[effective]~~ and rollback tax rates under this section.

(g) A person who owns taxable property is entitled to an injunction prohibiting the taxing unit in which the property is taxable from adopting a tax rate if the assessor or designated officer or employee of the unit, the chief appraiser of the applicable appraisal district, or the taxing unit, as applicable, has not complied with the computation, ~~or~~ publication, or posting requirements of this section or Section 26.17 or 26.18 ~~[and the failure to comply was not in good faith].~~

(i) This subsection applies to a taxing unit that has agreed by written contract to transfer a distinct department, function, or activity to another taxing unit and discontinues operating that distinct department, function, or activity if the operation of that department, function, or activity in all or a majority of the territory of the taxing unit is continued by another existing taxing unit or by a new taxing unit. The rollback tax rate of a taxing unit to which this subsection applies in the first tax year in which a budget is adopted that does not allocate revenue to the discontinued department, function, or activity is calculated as otherwise provided by this section, except that last year's levy used to calculate the no-new-revenue ~~[effective]~~ maintenance and operations rate of the unit is reduced by the amount of maintenance and operations tax revenue spent by the taxing unit to operate the department, function, or activity for the 12 months preceding the month in which the calculations required by this chapter are made and in which the unit operated the discontinued department, function, or activity. If the unit did not operate that department, function, or activity for the full 12 months preceding the month in which the calculations required by this chapter are made, the unit shall reduce last year's levy used for calculating the no-new-revenue ~~[effective]~~ maintenance and operations rate of the unit by the amount of the revenue spent in the last full fiscal year in which the unit operated the discontinued department, function, or activity.

(j) This subsection applies to a taxing unit that had agreed by written contract to accept the transfer of a distinct department, function, or activity from another taxing unit and operates a distinct department, function, or activity if the operation of a substantially similar department, function, or activity in all or a majority of the territory of the taxing unit has been discontinued by another taxing unit, including a dissolved taxing unit. The rollback tax rate of a taxing unit to which this subsection applies in the first tax year after the other taxing unit discontinued the substantially similar department, function, or activity in which a budget is adopted that allocates revenue to the department, function, or activity is calculated as otherwise provided by this section, except that last year's levy used to calculate the no-new-revenue ~~[effective]~~ maintenance and operations rate of the unit is increased by the amount of maintenance and operations tax revenue spent by the taxing unit that discontinued

operating the substantially similar department, function, or activity to operate that department, function, or activity for the 12 months preceding the month in which the calculations required by this chapter are made and in which the unit operated the discontinued department, function, or activity. If the unit did not operate the discontinued department, function, or activity for the full 12 months preceding the month in which the calculations required by this chapter are made, the unit may increase last year's levy used to calculate the no-new-revenue ~~effective~~ maintenance and operations rate by an amount not to exceed the amount of property tax revenue spent by the discontinuing unit to operate the discontinued department, function, or activity in the last full fiscal year in which the discontinuing unit operated the department, function, or activity.

(8) Strike the recital to SECTION 3 of the bill and substitute the following, appropriately numbered:

SECTION ____ . Section 26.041, Tax Code, is amended by amending Subsections (a), (b), (c), (e), (g), and (h) and adding Subsection (c-1) to read as follows:

(9) In SECTION 3 of the bill, strike amended Sections 26.041(a), (b), and (c), Tax Code, and substitute the following:

(a) In the first year in which an additional sales and use tax is required to be collected, the no-new-revenue ~~effective~~ tax rate and rollback tax rate for the unit are calculated according to the following formulas:

NO-NEW-REVENUE ~~EFFECTIVE~~ TAX RATE = [(LAST YEAR'S LEVY - LOST PROPERTY LEVY) / (CURRENT TOTAL VALUE - NEW PROPERTY VALUE)] - SALES TAX GAIN RATE

and

ROLLBACK TAX RATE FOR SMALL TAXING UNIT = (NO-NEW-REVENUE ~~EFFECTIVE~~ MAINTENANCE AND OPERATIONS RATE x 1.08) + CURRENT DEBT RATE - SALES TAX GAIN RATE

and

ROLLBACK TAX RATE FOR TAXING UNIT OTHER THAN SMALL TAXING UNIT = (NO-NEW-REVENUE MAINTENANCE AND OPERATIONS RATE x 1.06) + CURRENT DEBT RATE - SALES TAX GAIN RATE

where "sales tax gain rate" means a number expressed in dollars per \$100 of taxable value, calculated by dividing the revenue that will be generated by the additional sales and use tax in the following year as calculated under Subsection (d) ~~[of this section]~~ by the current total value.

(b) Except as provided by Subsections (a) and (c) ~~[of this section]~~, in a year in which a taxing unit imposes an additional sales and use tax, the rollback tax rate for the unit is calculated according to the following applicable formula, regardless of whether the unit levied a property tax in the preceding year:

ROLLBACK TAX RATE FOR SMALL TAXING UNIT = [(LAST YEAR'S MAINTENANCE AND OPERATIONS EXPENSE x 1.08) / (~~[TOTAL]~~ CURRENT TOTAL VALUE - NEW PROPERTY VALUE)] + (CURRENT DEBT RATE - SALES TAX REVENUE RATE)

or

ROLLBACK TAX RATE FOR TAXING UNIT OTHER THAN SMALL TAXING UNIT = [(LAST YEAR'S MAINTENANCE AND OPERATIONS EXPENSE x 1.06) / (CURRENT TOTAL VALUE - NEW PROPERTY VALUE)] + (CURRENT DEBT RATE - SALES TAX REVENUE RATE)

where "last year's maintenance and operations expense" means the amount spent for maintenance and operations from property tax and additional sales and use tax revenues in the preceding year, and "sales tax revenue rate" means a number expressed in dollars per \$100 of taxable value, calculated by dividing the revenue that will be generated by the additional sales and use tax in the current year as calculated under Subsection (d) ~~[of this section]~~ by the current total value.

(c) In a year in which a taxing unit that has been imposing an additional sales and use tax ceases to impose an additional sales and use tax, the no-new revenue ~~[effective]~~ tax rate and rollback tax rate for the unit are calculated according to the following formulas:

NO-NEW-REVENUE ~~[EFFECTIVE]~~ TAX RATE = [(LAST YEAR'S LEVY - LOST PROPERTY LEVY) / (CURRENT TOTAL VALUE - NEW PROPERTY VALUE)] + SALES TAX LOSS RATE

and

ROLLBACK TAX RATE FOR SMALL TAXING UNIT = [(LAST YEAR'S MAINTENANCE AND OPERATIONS EXPENSE x 1.08) / (~~[TOTAL]~~ CURRENT TOTAL VALUE - NEW PROPERTY VALUE)] + CURRENT DEBT RATE

and

ROLLBACK TAX RATE FOR TAXING UNIT OTHER THAN SMALL TAXING UNIT = [(LAST YEAR'S MAINTENANCE AND OPERATIONS EXPENSE x 1.06) / (CURRENT TOTAL VALUE - NEW PROPERTY VALUE)] + CURRENT DEBT RATE

where "sales tax loss rate" means a number expressed in dollars per \$100 of taxable value, calculated by dividing the amount of sales and use tax revenue generated in the last four quarters for which the information is available by the current total value and "last year's maintenance and operations expense" means the amount spent for maintenance and operations from property tax and additional sales and use tax revenues in the preceding year.

(10) In SECTION 3 of the bill, following added Section 26.041(c-1), Tax Code, add the following:

(e) If a city that imposes an additional sales and use tax receives payments under the terms of a contract executed before January 1, 1986, in which the city agrees not to annex certain property or a certain area and the owners or lessees of the property or of property in the area agree to pay at least annually to the city an amount determined by reference to all or a percentage of the property tax rate of the city and all or a part of the value of the property subject to the agreement or included in the area subject to the agreement, the governing body, by order adopted by a majority vote of the governing body, may direct the designated officer or employee to add to the no-new-revenue ~~[effective]~~ and rollback tax rates the amount that, when applied to the

total taxable value submitted to the governing body, would produce an amount of taxes equal to the difference between the total amount of payments for the tax year under contracts described by this subsection under the rollback tax rate calculated under this section and the total amount of payments for the tax year that would have been obligated to the city if the city had not adopted an additional sales and use tax.

(g) If the rate of the additional sales and use tax is increased, the designated officer or employee shall make two projections, in the manner provided by Subsection (d) [~~of this section~~], of the revenue generated by the additional sales and use tax in the following year. The first projection must take into account the increase and the second projection must not take into account the increase. The designated officer or employee shall then subtract the amount of the result of the second projection from the amount of the result of the first projection to determine the revenue generated as a result of the increase in the additional sales and use tax. In the first year in which an additional sales and use tax is increased, the no-new-revenue [~~effective~~] tax rate for the unit is the no-new-revenue [~~effective~~] tax rate before the increase minus a number the numerator of which is the revenue generated as a result of the increase in the additional sales and use tax, as determined under this subsection, and the denominator of which is the current total value minus the new property value.

(h) If the rate of the additional sales and use tax is decreased, the designated officer or employee shall make two projections, in the manner provided by Subsection (d) [~~of this section~~], of the revenue generated by the additional sales and use tax in the following year. The first projection must take into account the decrease and the second projection must not take into account the decrease. The designated officer or employee shall then subtract the amount of the result of the first projection from the amount of the result of the second projection to determine the revenue lost as a result of the decrease in the additional sales and use tax. In the first year in which an additional sales and use tax is decreased, the no-new-revenue [~~effective~~] tax rate for the unit is the no-new-revenue [~~effective~~] tax rate before the decrease plus a number the numerator of which is the revenue lost as a result of the decrease in the additional sales and use tax, as determined under this subsection, and the denominator of which is the current total value minus the new property value.

(11) In SECTION 4 of the bill, in the heading to amended Section 26.043, Tax Code, strike "EFFECTIVE" and substitute "NO-NEW-REVENUE [~~EFFECTIVE~~]".

(12) Add the following appropriately numbered SECTIONS to the bill:

SECTION _____. Sections 26.043(a) and (b), Tax Code, are amended to read as follows:

(a) In the tax year in which a city has set an election on the question of whether to impose a local sales and use tax under Subchapter H, Chapter 453, Transportation Code, the officer or employee designated to make the calculations provided by Section 26.04 may not make those calculations until the outcome of the election is determined. If the election is determined in favor of the imposition of the tax, the representative shall subtract from the city's rollback and no-new-revenue [~~effective~~] tax rates the amount that, if applied to the city's current total value, would impose an amount equal to the amount of property taxes budgeted in the current tax year to pay for expenses related to mass transit services.

(b) In a tax year to which this section applies, a reference in this chapter to the city's no-new-revenue ~~[effective]~~ or rollback tax rate refers to that rate as adjusted under this section.

SECTION _____. The heading to Section 26.044, Tax Code, is amended to read as follows:

Sec. 26.044. NO-NEW-REVENUE ~~[EFFECTIVE]~~ TAX RATE TO PAY FOR STATE CRIMINAL JUSTICE MANDATE.

SECTION _____. Sections 26.044(a), (b), and (c), Tax Code, are amended to read as follows:

(a) The first time that a county adopts a tax rate after September 1, 1991, in which the state criminal justice mandate applies to the county, the no-new-revenue ~~[effective]~~ maintenance and operation rate for the county is increased by the rate calculated according to the following formula:

(State Criminal Justice Mandate) / (Current Total Value - New Property Value)

(b) In the second and subsequent years that a county adopts a tax rate, if the amount spent by the county for the state criminal justice mandate increased over the previous year, the no-new-revenue ~~[effective]~~ maintenance and operation rate for the county is increased by the rate calculated according to the following formula:

(This Year's State Criminal Justice Mandate - Previous Year's State Criminal Justice Mandate) / (Current Total Value - New Property Value)

(c) The county shall include a notice of the increase in the no-new-revenue ~~[effective]~~ maintenance and operation rate provided by this section, including a description and amount of the state criminal justice mandate, in the information published under Section 26.04(e) and Section 26.06(b) ~~[of this code]~~.

SECTION _____. Sections 26.0441(a), (b), and (c), Tax Code, are amended to read as follows:

(a) In the first tax year in which a taxing unit adopts a tax rate after January 1, 2000, and in which the enhanced minimum eligibility standards for indigent health care established under Section 61.006, Health and Safety Code, apply to the taxing unit, the no-new-revenue ~~[effective]~~ maintenance and operations rate for the taxing unit is increased by the rate computed according to the following formula:

Amount of Increase = Enhanced Indigent Health Care Expenditures / (Current Total Value - New Property Value)

(b) In each subsequent tax year, if the taxing unit's enhanced indigent health care expenses exceed the amount of those expenses for the preceding year, the no-new-revenue ~~[effective]~~ maintenance and operations rate for the taxing unit is increased by the rate computed according to the following formula:

Amount of Increase = (Current Tax Year's Enhanced Indigent Health Care Expenditures - Preceding Tax Year's Indigent Health Care Expenditures) / (Current Total Value - New Property Value)

(c) The taxing unit shall include a notice of the increase in its no-new-revenue ~~[effective]~~ maintenance and operations rate provided by this section, including a brief description and the amount of the enhanced indigent health care expenditures, in the information published under Section 26.04(e) and, if applicable, Section 26.06(b).

SECTION _____. Section 26.05, Tax Code, is amended by amending Subsections (b), (c), (d), (e), and (g) and adding Subsections (d-1) and (d-2) to read as follows:

(b) A taxing unit may not impose property taxes in any year until the governing body has adopted a tax rate for that year, and the annual tax rate must be set by ordinance, resolution, or order, depending on the method prescribed by law for adoption of a law by the governing body. The vote on the ordinance, resolution, or order setting the tax rate must be separate from the vote adopting the budget. For a taxing unit other than a school district, the vote on the ordinance, resolution, or order setting a tax rate that exceeds the no-new-revenue [effective] tax rate must be a record vote, and at least 60 percent of the members of the governing body must vote in favor of the ordinance, resolution, or order. For a school district, the vote on the ordinance, resolution, or order setting a tax rate that exceeds the sum of the no-new-revenue [effective] maintenance and operations tax rate of the district as determined under Section 26.08(i) and the district's current debt rate must be a record vote, and at least 60 percent of the members of the governing body must vote in favor of the ordinance, resolution, or order. A motion to adopt an ordinance, resolution, or order setting a tax rate that exceeds the no-new-revenue [effective] tax rate must be made in the following form: "I move that the property tax rate be increased by the adoption of a tax rate of (specify tax rate), which is effectively a (insert percentage by which the proposed tax rate exceeds the no-new-revenue [effective] tax rate) percent increase in the tax rate." If the ordinance, resolution, or order sets a tax rate that, if applied to the total taxable value, will impose an amount of taxes to fund maintenance and operation expenditures of the taxing unit that exceeds the amount of taxes imposed for that purpose in the preceding year, the taxing unit must:

(1) include in the ordinance, resolution, or order in type larger than the type used in any other portion of the document:

(A) the following statement: "THIS TAX RATE WILL RAISE MORE TAXES FOR MAINTENANCE AND OPERATIONS THAN LAST YEAR'S TAX RATE."; and

(B) if the tax rate exceeds the no-new-revenue [effective] maintenance and operations rate, the following statement: "THE TAX RATE WILL EFFECTIVELY BE RAISED BY (INSERT PERCENTAGE BY WHICH THE TAX RATE EXCEEDS THE NO-NEW-REVENUE [EFFECTIVE] MAINTENANCE AND OPERATIONS RATE) PERCENT AND WILL RAISE TAXES FOR MAINTENANCE AND OPERATIONS ON A \$100,000 HOME BY APPROXIMATELY \$(Insert amount)."; and

(2) include on the home page of the [any] Internet website of [operated by] the unit:

(A) the following statement: "(Insert name of unit) ADOPTED A TAX RATE THAT WILL RAISE MORE TAXES FOR MAINTENANCE AND OPERATIONS THAN LAST YEAR'S TAX RATE"; and

(B) if the tax rate exceeds the no-new-revenue [effective] maintenance and operations rate, the following statement: "THE TAX RATE WILL EFFECTIVELY BE RAISED BY (INSERT PERCENTAGE BY WHICH THE TAX RATE EXCEEDS THE NO-NEW-REVENUE [EFFECTIVE] MAINTENANCE

AND OPERATIONS RATE) PERCENT AND WILL RAISE TAXES FOR MAINTENANCE AND OPERATIONS ON A \$100,000 HOME BY APPROXIMATELY \$(Insert amount)."

(c) If the governing body of a taxing unit does not adopt a tax rate before the date required by Subsection (a), the tax rate for the taxing unit for that tax year is the lower of the no-new-revenue [effective] tax rate calculated for that tax year or the tax rate adopted by the taxing unit for the preceding tax year. A tax rate established by this subsection is treated as an adopted tax rate. Before the fifth day after the establishment of a tax rate by this subsection, the governing body of the taxing unit must ratify the applicable tax rate in the manner required by Subsection (b).

(d) The governing body of a taxing unit other than a school district may not adopt a tax rate that exceeds the lower of the rollback tax rate or the no-new-revenue [effective] tax rate calculated as provided by this chapter until the governing body has held two public hearings on the proposed tax rate and has otherwise complied with Section 26.06 and Section 26.065. The governing body of a taxing unit shall reduce a tax rate set by law or by vote of the electorate to the lower of the rollback tax rate or the no-new-revenue [effective] tax rate and may not adopt a higher rate unless it first complies with Section 26.06.

(d-1) The governing body of a taxing unit may not hold a public hearing on a proposed tax rate or a public meeting to adopt a tax rate until the 14th day after the date the officer or employee designated by the governing body of the unit to calculate the no-new-revenue tax rate and the rollback tax rate for the unit complies with Section 26.17.

(d-2) Notwithstanding Subsection (a), the governing body of a taxing unit other than a school district may not adopt a tax rate until:

(1) the chief appraiser of each appraisal district in which the taxing unit participates has:

(A) delivered the notice required by Section 26.04(e-2); and

(B) incorporated the tax rate calculation forms submitted to the appraisal district under Section 26.17(d)(2) by the designated officer or employee of the taxing unit into the property tax database maintained by the chief appraiser and made them available to the public;

(2) the designated officer or employee of the taxing unit has entered in the property tax database maintained by the chief appraiser the information described by Section 26.17(b) for the current tax year; and

(3) the taxing unit has posted the information described by Section 26.18 on the Internet website used by the taxing unit for that purpose.

(e) A person who owns taxable property is entitled to an injunction restraining the collection of taxes by a taxing unit in which the property is taxable if the taxing unit has not complied with the requirements of this section or Section 26.04 ~~[and the failure to comply was not in good faith]~~. An action to enjoin the collection of taxes must be filed not later than the 15th day after the date the taxing unit adopts a tax rate. A property owner is not required to pay the taxes imposed by a taxing unit on the owner's property while an action filed by the property owner to enjoin the collection of taxes imposed by the taxing unit on the owner's property is pending. If the property owner pays the taxes and subsequently prevails in the action, the property owner is

entitled to a refund of the taxes paid, together with reasonable attorney's fees and court costs. The property owner is not required to apply to the collector for the taxing unit to receive the refund ~~[prior to the date a taxing unit delivers substantially all of its tax bills].~~

(g) Notwithstanding Subsection (a), the governing body of a school district that elects to adopt a tax rate before the adoption of a budget for the fiscal year that begins in the current tax year may adopt a tax rate for the current tax year before receipt of the certified appraisal roll for the school district if the chief appraiser of the appraisal district in which the school district participates has certified to the assessor for the school district an estimate of the taxable value of property in the school district as provided by Section 26.01(e). If a school district adopts a tax rate under this subsection, the no-new-revenue ~~[effective]~~ tax rate and the rollback tax rate of the district shall be calculated based on the certified estimate of taxable value.

SECTION _____. Section 26.052, Tax Code, is amended by amending Subsection (e) and adding Subsection (f) to read as follows:

(e) Public notice provided under Subsection (c) must specify:

(1) the tax rate that the governing body proposes to adopt;
(2) the date, time, and location of the meeting of the governing body of the taxing unit at which the governing body will consider adopting the proposed tax rate; and

(3) if the proposed tax rate for the taxing unit exceeds the unit's no-new-revenue ~~[effective]~~ tax rate calculated as provided by Section 26.04, a statement substantially identical to the following: "The proposed tax rate would increase total taxes in (name of taxing unit) by (percentage by which the proposed tax rate exceeds the no-new-revenue ~~[effective]~~ tax rate)."

(f) A taxing unit to which this section applies that elects to provide public notice of its proposed tax rate under Subsection (c) may also provide public notice of its proposed tax rate by posting notice of the proposed tax rate including the information prescribed by Subsection (e) prominently on the home page of the Internet website of the taxing unit.

SECTION _____. Sections 26.06(b), (c), (d), and (e), Tax Code, are amended to read as follows:

(b) The notice of a public hearing may not be smaller than one-quarter page of a standard-size or a tabloid-size newspaper, and the headline on the notice must be in 24-point or larger type. The notice must contain a statement in the following form:

"NOTICE OF PUBLIC HEARING ON TAX INCREASE

"The (name of the taxing unit) will hold two public hearings on a proposal to increase total tax revenues from properties on the tax roll in the preceding tax year by (percentage by which proposed tax rate exceeds lower of rollback tax rate or no-new-revenue ~~[effective]~~ tax rate calculated under this chapter) percent. Your individual taxes may increase at a greater or lesser rate, or even decrease, depending on the tax rate that is adopted and on the change in the taxable value of your property in relation to the change in taxable value of all other property ~~[and the tax rate that is adopted]~~. The change in the taxable value of your property in relation to the change in the taxable value of all other property determines the distribution of the tax burden among all property owners.

"The first public hearing will be held on (date and time) at (meeting place).

"The second public hearing will be held on (date and time) at (meeting place).

"(Names of all members of the governing body, showing how each voted on the proposal to consider the tax increase or, if one or more were absent, indicating the absences.)

"The average taxable value of a residence homestead in (name of taxing unit) last year was \$____ (average taxable value of a residence homestead in the taxing unit for the preceding tax year, disregarding residence homestead exemptions available only to disabled persons or persons 65 years of age or older). Based on last year's tax rate of \$____ (preceding year's adopted tax rate) per \$100 of taxable value, the amount of taxes imposed last year on the average home was \$____ (tax on average taxable value of a residence homestead in the taxing unit for the preceding tax year, disregarding residence homestead exemptions available only to disabled persons or persons 65 years of age or older).

"The average taxable value of a residence homestead in (name of taxing unit) this year is \$____ (average taxable value of a residence homestead in the taxing unit for the current tax year, disregarding residence homestead exemptions available only to disabled persons or persons 65 years of age or older). If the governing body adopts the no-new-revenue [effective] tax rate for this year of \$____ (no-new-revenue [effective] tax rate) per \$100 of taxable value, the amount of taxes imposed this year on the average home would be \$____ (tax on average taxable value of a residence homestead in the taxing unit for the current tax year, disregarding residence homestead exemptions available only to disabled persons or persons 65 years of age or older).

"If the governing body adopts the proposed tax rate of \$____ (proposed tax rate) per \$100 of taxable value, the amount of taxes imposed this year on the average home would be \$____ (tax on the average taxable value of a residence in the taxing unit for the current year disregarding residence homestead exemptions available only to disabled persons or persons 65 years of age or older).

"Members of the public are encouraged to attend the hearings and express their views."

(c) The notice of a public hearing under this section may be delivered by mail to each property owner in the unit, or may be published in a newspaper. If the notice is published in a newspaper, it may not be in the part of the paper in which legal notices and classified advertisements appear. ~~The [If the taxing unit operates an Internet website, the]~~ notice must also be posted prominently on the home page of the Internet website of the taxing unit from the date the notice is first published until the second public hearing is concluded.

(d) At the public hearings the governing body shall announce the date, time, and place of the meeting at which it will vote on the proposed tax rate. After each hearing the governing body shall give notice of the meeting at which it will vote on the proposed tax rate and the notice shall be in the same form as prescribed by Subsections (b) and (c), except that it must state the following:

"NOTICE OF TAX REVENUE INCREASE

"The (name of the taxing unit) conducted public hearings on (date of first hearing) and (date of second hearing) on a proposal to increase the total tax revenues of the (name of the taxing unit) from properties on the tax roll in the preceding year by (percentage by which proposed tax rate exceeds lower of rollback tax rate or no-new-revenue ~~[effective]~~ tax rate calculated under this chapter) percent.

"The total tax revenue proposed to be raised last year at last year's tax rate of (insert tax rate for the preceding year) for each \$100 of taxable value was (insert total amount of taxes imposed in the preceding year).

"The total tax revenue proposed to be raised this year at the proposed tax rate of (insert proposed tax rate) for each \$100 of taxable value, excluding tax revenue to be raised from new property added to the tax roll this year, is (insert amount computed by multiplying proposed tax rate by the difference between current total value and new property value).

"The total tax revenue proposed to be raised this year at the proposed tax rate of (insert proposed tax rate) for each \$100 of taxable value, including tax revenue to be raised from new property added to the tax roll this year, is (insert amount computed by multiplying proposed tax rate by current total value).

"The (governing body of the taxing unit) is scheduled to vote on the tax rate that will result in that tax increase at a public meeting to be held on (date of meeting) at (location of meeting, including mailing address) at (time of meeting).

"The (governing body of the taxing unit) proposes to use the increase in total tax revenue for the purpose of (description of purpose of increase)."

(e) The meeting to vote on the tax increase may not be earlier than the third day or later than the 14th day after the date of the second public hearing. The meeting must be held inside the boundaries of the taxing unit in a publicly owned building or, if a suitable publicly owned building is not available, in a suitable building to which the public normally has access. If the governing body does not adopt a tax rate that exceeds the lower of the rollback tax rate or the no-new-revenue ~~[effective]~~ tax rate by the 14th day, it must give a new notice under Subsection (d) before it may adopt a rate that exceeds the lower of the rollback tax rate or the no-new-revenue ~~[effective]~~ tax rate.

SECTION _____. Section 26.065(b), Tax Code, is amended to read as follows:

(b) ~~The [If the]~~ taxing unit ~~[owns, operates, or controls an Internet website, the unit]~~ shall post notice of the public hearing prominently on the home page of the Internet website of the unit continuously for at least seven days immediately before the public hearing on the proposed tax rate increase and at least seven days immediately before the date of the vote proposing the increase in the tax rate.

(13) Strike the recital to SECTION 8 of the bill and substitute the following, appropriately numbered:

SECTION _____. Section 26.08, Tax Code, is amended by amending Subsections (a), (b), (d), (d-1), (d-2), (e), (g), (h), (n), and (p) and adding Subsection (r) to read as follows:

(14) In SECTION 8 of the bill, in amended Section 26.08, Tax Code, between amended Subsections (e) and (h) of the section, insert the following:

(g) In a school district that received distributions from an equalization tax imposed under former Chapter 18, Education Code, the no-new-revenue ~~[effective]~~ rate of that tax as of the date of the county unit system's abolition is added to the district's rollback tax rate.

(15) In SECTION 8 of the bill, in amended Section 26.08, Tax Code, between amended Subsection (h) and added Subsection (r) of the section, insert the following:

(n) For purposes of this section, the rollback tax rate of a school district whose maintenance and operations tax rate for the 2005 tax year was \$1.50 or less per \$100 of taxable value is:

(1) for the 2006 tax year, the sum of the rate that is equal to 88.67 percent of the maintenance and operations tax rate adopted by the district for the 2005 tax year, the rate of \$0.04 per \$100 of taxable value, and the district's current debt rate; and

(2) for the 2007 and subsequent tax years, the lesser of the following:

(A) the sum of the following:

(i) the rate per \$100 of taxable value that is equal to the product of the state compression percentage, as determined under Section 42.2516, Education Code, for the current year and \$1.50;

(ii) the rate of \$0.04 per \$100 of taxable value;

(iii) the rate that is equal to the sum of the differences for the 2006 and each subsequent tax year between the adopted tax rate of the district for that year if the rate was approved at an election under this section and the rollback tax rate of the district for that year; and

(iv) the district's current debt rate; or

(B) the sum of the following:

(i) the no-new-revenue ~~[effective]~~ maintenance and operations tax rate of the district as computed under Subsection (i) ~~[or (k), as applicable]~~;

(ii) the rate per \$100 of taxable value that is equal to the product of the state compression percentage, as determined under Section 42.2516, Education Code, for the current year and \$0.06; and

(iii) the district's current debt rate.

(p) Notwithstanding Subsections (i), (n), and (o), if for the preceding tax year a school district adopted a maintenance and operations tax rate that was less than the district's no-new-revenue ~~[effective]~~ maintenance and operations tax rate for that preceding tax year, the rollback tax rate of the district for the current tax year is calculated as if the district adopted a maintenance and operations tax rate for the preceding tax year that was equal to the district's no-new-revenue ~~[effective]~~ maintenance and operations tax rate for that preceding tax year.

(16) Add the following appropriately numbered SECTION to the bill:

SECTION _____. Section 26.08(i), Tax Code, as effective September 1, 2017, is amended to read as follows:

(i) For purposes of this section, the no-new-revenue ~~[effective]~~ maintenance and operations tax rate of a school district is ~~the tax rate that~~, applied to the current total value for the district, would impose taxes in an amount that, when added to state funds that would be distributed to the district under Chapter 42, Education Code, for the school year beginning in the current tax year using that tax rate, would provide the same amount of state funds distributed under Chapter 42, Education Code, and

maintenance and operations taxes of the district per student in weighted average daily attendance for that school year that would have been available to the district in the preceding year if the funding elements for Chapters 41 and 42, Education Code, for the current year had been in effect for the preceding year.

(17) Strike SECTION 9 of the bill and substitute the following appropriately numbered SECTION:

SECTION _____. Section 26.16, Tax Code, is amended by amending Subsections (a) and (d) and adding Subsection (a-1) to read as follows:

(a) The county assessor-collector for each county [~~that maintains an Internet website~~] shall post on the Internet website of the county the following information for the most recent five tax years beginning with the 2012 tax year for each taxing unit all or part of the territory of which is located in the county:

- (1) the adopted tax rate;
- (2) the maintenance and operations rate;
- (3) the debt rate;
- (4) the no-new-revenue [effective] tax rate;
- (5) the no-new-revenue [effective] maintenance and operations rate; and
- (6) the rollback tax rate.

(a-1) For purposes of Subsection (a), a reference to the no-new-revenue tax rate or the no-new-revenue maintenance and operations rate includes the equivalent effective tax rate or effective maintenance and operations rate for a preceding year. This subsection expires January 1, 2024.

(d) The county assessor-collector shall post immediately below the table prescribed by Subsection (c) the following statement:

"The county is providing this table of property tax rate information as a service to the residents of the county. Each individual taxing unit is responsible for calculating the property tax rates listed in this table pertaining to that taxing unit and providing that information to the county.

"The adopted tax rate is the tax rate adopted by the governing body of a taxing unit.

"The maintenance and operations rate is the component of the adopted tax rate of a taxing unit that will impose the amount of taxes needed to fund maintenance and operation expenditures of the unit for the following year.

"The debt rate is the component of the adopted tax rate of a taxing unit that will impose the amount of taxes needed to fund the unit's debt service for the following year.

"The no-new-revenue [effective] tax rate is the tax rate that would generate the same amount of revenue in the current tax year as was generated by a taxing unit's adopted tax rate in the preceding tax year from property that is taxable in both the current tax year and the preceding tax year.

"The no-new-revenue [effective] maintenance and operations rate is the tax rate that would generate the same amount of revenue for maintenance and operations in the current tax year as was generated by a taxing unit's maintenance and operations rate in the preceding tax year from property that is taxable in both the current tax year and the preceding tax year.

"The rollback tax rate is the highest tax rate a taxing unit may adopt before requiring voter approval at an election. In the case of a small taxing unit [other than a school district], the voters by petition may require that a rollback election be held if the unit adopts a tax rate in excess of the unit's rollback tax rate. In the case of a taxing unit other than a small taxing unit [school district], an election will automatically be held if the unit [district] wishes to adopt a tax rate in excess of the unit's [district's] rollback tax rate."

(18) Add the following appropriately numbered SECTIONS to the bill:

SECTION _____. Chapter 26, Tax Code, is amended by adding Sections 26.17 and 26.18 to read as follows:

The notice need not be on an official form, but the comptroller shall prescribe a form that provides for more detail about the nature of the protest. The form must permit a property owner to include each property in the appraisal district that is the subject of a protest. The form must permit a property owner to request that the protest be heard by a special panel established under Section 6.425 if the protest will be determined by an appraisal review board to which that

(d-1) An appraisal review board to which Section 6.425 applies shall sit in special panels established under that section to conduct protest hearings. A special panel may conduct a protest hearing relating to property only if the property is described by Section 6.425(b) and the property owner has requested that a special panel conduct the hearing or if the protest is assigned to the special panel under Section 6.425(f). If the recommendation of a special panel is not accepted by the board, the board may refer the matter for rehearing to another special panel composed of members who did not hear the original protest or, if there are not at least three other special panel members who did not hear the original protest, the board may determine the protest.

(d-2) The determination of a protest heard by a panel under Subsection (d) or (d-1) must be made by the board.

(d-3) The board must deliver notice of a hearing or meeting to determine a protest heard by a panel, or to rehear a protest, under Subsection (d) or (d-1) in accordance with the provisions of this subchapter.

(a) The appraisal review board before which a protest hearing is scheduled shall deliver written notice to the property owner initiating a protest of the date, time, ~~and~~ place, and subject matter of ~~[fixed for]~~ the hearing on the protest and of the property owner's entitlement to a postponement of the hearing as provided by Section 41.45 unless the property owner waives in writing notice of the hearing. The board shall deliver the notice not later than the 15th day before the date of the hearing.

(d) The appraisal review board shall deliver notice of the hearing by certified mail if, in the notice of protest under Section 41.44, the property owner requests delivery by certified mail. The board shall require the property owner to pay the cost of postage under this subsection.

(d) If the chief appraiser provides the property owner or the agent of the owner access to information by referring the owner or agent to an Internet website as authorized by Subsection (c)(4), the notice referring the owner or agent to the website must contain a statement in a conspicuous font that clearly indicates that the owner or agent may on request receive a copy of the information by regular first-class mail. On request of the property owner or the agent of the owner, the chief appraiser shall deposit a copy of the information in the mail as regular first-class mail in the manner provided by Subsection (c)(1).

SECTION _____. Section 41.47, Tax Code, is amended by adding Subsections (c-2) and (f) and amending Subsection (e) to read as follows:

(e) The notice of the issuance of the order must contain a prominently printed statement in upper-case bold lettering informing the property owner in clear and concise language of the property owner's right to appeal the order of the board [~~board's decision~~] to district court. The statement must describe the deadline prescribed by Section 42.06(a) [~~of this code~~] for filing a written notice of appeal[;] and the deadline prescribed by Section 42.21(a) [~~of this code~~] for filing the petition for review with the district court.

(f) The board shall take the actions required by Subsections (a) and (d) not later than the 20th business day after the date the hearing on the protest is concluded.

SECTION _____. Section 41.66, Tax Code, is amended by amending Subsections (h), (i), (j), and (k) and adding Subsections (j-1), (k-1), and (p) to read as follows:

(h) The appraisal review board shall postpone a hearing on a protest if the property owner or the designated agent of the owner requests additional time to prepare for the hearing and establishes to the board that the chief appraiser failed to comply with Section 41.461. The board is not required to postpone a hearing more than one time under this subsection.

(i) A hearing on a protest filed by a property owner or the designated agent of the owner [~~who is not represented by an agent designated under Section 1.111~~] shall be set for a time and date certain. If the hearing is not commenced within two hours of the time set for the hearing, the appraisal review board shall postpone the hearing on the request of the property owner or the designated agent of the owner.

(j) On the request of a property owner or the [~~a~~] designated agent of the owner, an appraisal review board shall schedule hearings on protests concerning up to 20 designated properties to be held consecutively on the same day. The designated properties must be identified in the same notice of protest, and the notice must contain in boldfaced type the statement "request for same-day protest hearings." A property owner or the designated agent of the owner may [~~not~~] file more than one request under this subsection with the appraisal review board in the same tax year. The appraisal review board may schedule hearings on protests concerning more than 20 properties filed by the same property owner or the designated agent of the owner and may use different panels to conduct the hearings based on the board's customary scheduling. The appraisal review board may follow the practices customarily used by the board in the scheduling of hearings under this subsection.

(j-1) An appraisal review board may schedule the hearings on all protests filed by a property owner or the designated agent of the owner to be held consecutively. The notice of the hearings must state the date and time that the first hearing will begin, state the date the last hearing will end, and list the order in which the hearings will be held. The order of the hearings listed in the notice may not be changed without the agreement of the property owner or the designated agent of the owner, the chief

appraiser, and the appraisal review board. The board may not reschedule a hearing for which notice is given under this subsection to a date earlier than the seventh day after the date the last hearing was scheduled to end unless agreed to by the property owner or the designated agent of the owner, the chief appraiser, and the appraisal review board. Unless agreed to by the parties, the board must provide written notice of the date and time of the rescheduled hearing to the property owner or the designated agent of the owner not later than the seventh day before the date of the hearing.

(k) This subsection does not apply to a special panel established under Section 6.425. If an appraisal review board sits in panels to conduct protest hearings, protests shall be randomly assigned to panels, except that the board may consider the type of property subject to the protest or the ground of the protest for the purpose of using the expertise of a particular panel in hearing protests regarding particular types of property or based on particular grounds. If a protest is scheduled to be heard by a particular panel, the protest may not be reassigned to another panel without the consent of the property owner or designated agent. If the appraisal review board has cause to reassign a protest to another panel, a property owner or designated agent may agree to reassignment of the protest or may request that the hearing on the protest be postponed. The board shall postpone the hearing on that request. A change of members of a panel because of a conflict of interest, illness, or inability to continue participating in hearings for the remainder of the day does not constitute reassignment of a protest to another panel.

(k-1) On the request of a property owner, an appraisal review board to which Section 6.425 applies shall assign a protest relating to property described by Section 6.425(b) to a special panel. In addition, the chairman of the appraisal review board may assign a protest relating to property not described by Section 6.425(b) to a special panel as authorized by Section 6.425(f). Protests assigned to special panels shall be randomly assigned to those panels. If a protest is scheduled to be heard by a particular special panel, the protest may not be reassigned to another special panel without the consent of the property owner or designated agent. If the board has cause to reassign a protest to another special panel, a property owner or designated agent may agree to reassignment of the protest or may request that the hearing on the protest be postponed. The board shall postpone the hearing on that request. A change of members of a special panel because of a conflict of interest, illness, or inability to continue participating in hearings for the remainder of the day does not constitute reassignment of a protest to another special panel.

(p) At the end of a hearing on a protest, the appraisal review board shall provide the property owner or the designated agent of the owner one or more documents indicating that the members of the board hearing the protest signed the affidavit required by Subsection (g).
