REMARKS ORDERED PRINTED

On motion of Senator Hughes and by unanimous consent, the remarks by Senators Hughes and Springer regarding SB 1 were ordered reduced to writing and printed in the Senate Journal as follows:

President: Senator Springer, for what purpose?

Senator Springer: To ask the author a question.

President: Do you yield?

Senator Hughes: Of course, I’ll yield.

Senator Springer: Senator Hughes, I appreciate you bringing this forward and working with us on this. And, as we discussed, I have something that I’d like to bring forward for legislative intent. For our tax collector assessors, as you’re aware, those tax assessor-collectors in some counties serve as the voter registrar. These folks have expressed concern that the bill may require one county to wait on confirmation of registration from another county before they can remove the voter from the voter roll. I just want to clarify for legislative intent that given the fact that the voter's already filled out and attested to the fact that they now reside in a new address in another county that the previous county where the voter was registered may go ahead and be removed, remove that voter from their rolls. The voter attesting to the fact that they now reside in another county should be a strong implication that they need to be removed from a previous county's voters rolls. So, I just want to make sure that this
bill will not require the former county registration to wait on the application to be fully processed in the new county before the residence and registration. And if you could help confirm for that form, that would be fantastic.

Senator Hughes: Senator Springer, you are correct. That's exactly what the bill does.

Senator Springer: Alright, thank you for clarifying that for us. Thank you, Mr. President.

Senator Hughes offered the following amendment to the bill:

REMARKS ORDERED PRINTED

On motion of Senator Hinojosa and by unanimous consent, his remarks regarding SR 18 were ordered reduced to writing and printed in the Senate Journal as follows:

Thank you, Mr. President. Today, I want to say a few words about my good friend, Jose Nieto Robledo. Jose Nieto Robledo was that kind of special person, they're very, very strong in his faith, they're very, very loving to his family, but also very much committed to helping the community. Mr. Robledo quit high school to be able to work in different jobs to support his family. He worked his way up through different jobs in the City of Edinburg. And when I first met him in 1980, the first time I ran for State Rep, Senator Lucio, Mr. Robledo took me by the hand and walked me throughout the City of Edinburg. It was amazing, he knew everybody in the city. Mr. Robledo was also very much committed to his family. He was married to his wife for over 60 years. He had 13 children and, Senator Nelson, he had 30 grandchildren and five great-grandchildren. And truly a man of action, but I have to say Mr. Robledo was very loved, was liked because in lieu of all the work he had in supporting his family. In terms of all the commitments he made to the church, he still had time to volunteer and work with the community, helping others who could not help themselves. He was very much involved in community issues. He would organize groups of gente, of people, in the community to meet with local public officials to talk about the different problems, the different challenges they had. He was really an amazing man. An amazing person because even on Sundays, he would gather all his children and grandchildren and would barbecue for them making sure they had that family gathering every single Sunday after mass. Mr. Robledo, he had cancer the last six years, and even while he was facing the challenges of cancer, he was still working with Valley Interfaith. He would set up meetings in my office, for one, coming up to Austin to educate us and tell us about the needs that the Rio Grande Valley had. He was a man of strong work ethic, a man of strong faith. A man that once you met him, you automatically trusted the man because he
was just so open, so honest that you could see it in his eyes. You could see it in his body language. You could depend, if you needed anything from this man, to help and assist you in every which way. To me, we will miss him because he was so known in the community, even in the last day of life, you would know he was alive, people went to visit him. And today, I would like for us to adjourn in his memory, Mr. President, and may he rest in peace and be in heaven. Not only will I miss him, but his whole family, the whole community, the whole Rio Grande Valley and South Texas will miss him. And we wish him well and we wish him to be in heaven. Thank you, Mr. President.

REMARKS ORDERED PRINTED

On motion of Senator Lucio and by unanimous consent, the remarks by Senator Nichols regarding Herbert G. Johnson Sr. were ordered reduced to writing and printed in the Senate Journal as follows:

Thank you, Mr. President and Members. We lost the Chief of the Alabama-Coushatta Tribe in my district this past Monday. The Principal Chief of the tribe was Herbert Johnson Sr. He passed away at 79 years old. He was born in 1942 on the tribal land for the Alabama-Coushatta Indian reservation in Livingston. He later moved to Jacksonville to go to Jacksonville College, my hometown. He was a basketball player. He became All-American, quite famous at the time. Senator West, he was 5 foot 6 inches tall, 5 foot 6, and scored 67 points in a single game, would set an all-time national record before they had 3-point shots. So, he was really good. He was a member of the Beaver Clan. He served his people in many capacities, being elected twice to the council, worked as the security director for the tribe for 21 years. He also served as deacon of the tribal Presbyterian Church, trustee of the Big Sandy school board for 48 years. His leadership was a great asset to the tribe. And to people who knew him, he will be missed and I hope that we remember him when we adjourn. Thank you.
