The Lord is my shepherd; I shall not want. He makes me lie down in green pastures. He leads me beside still waters. He restores my soul. He leads me in the path of righteousness for His name’s sake. Even though I walk through the valley of the shadow of death, I will fear no evil, for You are with me; Your rod and Your staff, You comfort me. You prepare a table before me in the presence of my enemies; You anoint my head with oil; my cup overflows. Surely goodness and mercy shall follow me all the days of my life, and I shall dwell in the house of the Lord forever. (Psalm 23)

(b) A health maintenance organization or insurer may not retroactively deny a health care service on the basis of a rescission of an exemption, even if the health maintenance organization's or insurer's determination to rescind the preauthorization exemption is affirmed by an independent review organization.

REMARKS ORDERED PRINTED

On motion of Senator Kolkhorst and by unanimous consent, the remarks by Senators Kolkhorst and Springer regarding HB 3610 were ordered reduced to writing and printed in the Senate Journal as follows:

Senator Kolkhorst: Thank you, Senator. You and I have had a discussion about this bill. And one of my concerns is on the ability to also receive these property tax exemptions on administrative buildings. Correct?

Senator Springer: Correct.

Senator Kolkhorst: And my concern on that is that we don't, technically, I mean it could be, it could be a condo in downtown Austin, it could be any place and we, the Houston Chronicle's done some pretty good reporting on some of this, you know. I know that there was a luxury condominium in downtown Houston that was being used for storage and things like that. So, you and I talked about doing an amendment potentially to take the administration part out. And I know that you and the Representative had some concerns about that. So, my question to you is, is there any way that we can track this? And again, I really am very concerned–

Senator Springer: No–

Senator Kolkhorst: –about this–

Senator Springer: –absolutely, and I appreciate your concerns in wanting to make sure that we have the transparency and being good stewards of our tax dollars. And we do have that in our, both our, in our ISDs, in our charter schools, I'm not, and I know specifically we're really concerned more about the charter school aspect. But they do turn in to the TEA every location that they had. All real property whether they own it, what's the value if they own it, and if it's leased, location, and what are they leasing it for. And I think that that's how the, the Chronicle was able to, to get some of these prices and know about those locations.

Senator Kolkhorst: And so, let me ask you again, I had an amendment, and you've asked me not to offer it, that would have asked the district or open enrollment charter school, shall in it's annual financial report under Section 44.008 of the Education Code to list each portion of real property described in Subsection (a). Your answer back to that was we–
Senator Springer: That is included in these TEA reports. That detailed information is at the TEA already.

Senator Kolkhorst: So, specifically the, let me ask you legislative intent. We will be able to see what buildings are being leased–

Senator Springer: That's correct and I think–

Senator Kolkhorst: –and receiving tax exemptions.

Senator Springer: Right, and then we will know, I mean, today I would assume because this isn't in place as well as our ISDs and our community colleges, that we would have assumed that they are paying property taxes on that leased property that's already listed on the TEA report. And so, as the bill has described, it is not to the benefit of the landlord but has to go to the lessee, i.e., the charter schools or public schools, that they, that that gets shown up in a reduction of their lease payments. And so, we will know that that is, then at the end of the day, is lease free or property tax free.

Senator Kolkhorst: I think that's real important. And my concern on this is while I think charters serve a very important, you know, part of our school districts and our public school system, I want to make sure that it is not being abused as we open this up. And as you said, there's an equality measure that you're trying to achieve in 3610, that is equal to the public education system as well as community colleges, but there again, I don't think that the administration buildings of those two systems are often held out of someone's house. And so, your intent is not that someone could have their administrative office in their house and receive a tax exemption.

Senator Springer: That's correct. That's not our intent. I know that's, the association's, is definitely not their intent. I would hope that, you know, they would do as every association when they have these bad actors. And, you know, we've heard it in, you know, in some of our ISDs have done some things that we come back in, put legislation in that says, you know, we don't think you should have these type of facilities, you know, whether they were entertainment, or whatever the case is, and I know that you and I will both continue to look at this in this interim to find out if there are things and come back. And I think this body, would be very easy if somebody is abusing the system to come back and put more belts and suspenders on.

Senator Kolkhorst: And so, your intent is not for a charter school to potentially have their administrative office run out of, like I said, a condo in downtown Austin or Houston.

Senator Springer: Or it's a, it's a $10 million home on Lake Austin, I mean, you know, that–

Senator Kolkhorst: Correct.

Senator Springer: –they live in and it's a really a residence more than it is and use that as a shield to be able to not pay their fair share of taxes to run this state, absolutely.
Senator Kolkhorst: And the reason I bring this up and, you know, this is because a few bad actors, like we say, one bad apple spoils the bunch, and without those belts and suspenders we could see a potential loophole here. So, thank you for my, your exchange today, and again, strongly stated your intent is not for the administrative offices to be housed in, so to be used to offset someone's property taxes in a home or a high-rise apartment, et cetera.

Senator Springer: No, absolutely and that is absolutely my intent. My intent is to see the property tax dollars that are saved on these leased facilities that they educate these kids to be able to have more resources to provide a higher level of education. And I know that's what both of us want. So, thank you.

Senator Kolkhorst: Absolutely.
