Senator Kolkhorst moved to concur in the House amendments to **SB 968**.

The motion prevailed by the following vote: Yeas 27, Nays 4.

Yeas: Alvarado, Bettencourt, Birdwell, Blanco, Buckingham, Campbell, Creighton, Gutierrez, Hall, Hancock, Hinojosa, Huffman, Hughes, Kolkhorst, Lucio, Menéndez, Miles, Nelson, Nichols, Paxton, Perry, Powell, Schwertner, Seliger, Springer, Taylor, Zaffirini.

Nays: Eckhardt, Johnson, West, Whitmire.

REASON FOR VOTE

Senator Eckhardt submitted the following reason for vote on **SB 968**:

I agree with much of SB 968. Vaccine passports are a troubling infringement on an individual's right to medical privacy, and I commend Senator Kolkhorst for prohibiting the practice. Yet I worry that SB 968 goes too far in its attempt to protect individual rights by encroaching on private business' ability to determine how best to serve their customers. Because of the restrictions this bill will place on Texas businesses, I cannot support this bill.

ECKHARDT

REMARKS ORDERED PRINTED

On motion of Senator Nichols and by unanimous consent, the remarks by Senators Kolkhorst and Nichols regarding **SB 968** were ordered reduced to writing and printed in the *Senate Journal* as follows:

Senator Nichols: Thank, thank you, Mr. President. Senator Kolkhorst, my question, and I have already had a conversation with you on it, I'd like to get some comments that I would like to make for the record, and then at the end I'll ask you a question, and then you can do the clarification, if you would. I understand that late into the night an amendment had been added that adds to, related to medical fragile people and the possibility of contacting them in case of a disaster. And it's also my understanding that more than, more than 150, maybe even 200 local government entities had, have already registered with TDEM. That's the State of Texas emergency assistance registry. I'm just going to refer to it as the registry, but as we saw with the winter storm, registration may create unrealistic expectations for Texans who are on that list. TDEM currently states on their website that registration does not guarantee a number of things like evacuation from a hurricane, and so on. The amendment language appears to require local government to conduct an in-person visit for individuals who do not respond to a call, and as you know and I know, we both have rural districts so we got a lot of counties and cities, and our local governmental entities always kind of have a radar for when a statute passes that requires them to do something. And I want to make sure that it is not an unfunded mandate, which I don't think it is. So, I appreciate your work on this bill, but before voting can occur, can you tell me that there would be a way for local governments to make that decision about continued participation in that registry because they may start dropping out of it?

Senator Kolkhorst: Yep.

Senator Nichols: So, what are their options?

Senator Kolkhorst: Excellent question, so I'm going to just, a bit of history going back to 2006. Governor Rick Perry issued after Katrina and Ike, Senator Taylor, RP-50, I believe it is RP-57, Executive Order RP-57. And within that there was a part, there's a lot of different things about fuel and distribution, traffic and control management, evacuation of people with special needs, and that's where this registry, STEAR is what it's called, kind of developed out of it. The Governor's Division of Emergency Management shall develop and implement a statewide database to assist the evacuation of special needs population with the coastal jurisdiction as a priority, and it goes on to list a few things. And so, that is now called the Texas Department of Emergency Management. Within that, this again is the State of Texas Emergency Assistance Registry, STEAR, and so one of the things, I know I've talked to my local

officials, STEAR, the registry, is completely voluntary. This is reading from their handbook, is completely voluntary and free to local governments and to Texas citizens with the exception of a couple of statutes, which means you have to evacuate people in nursing homes and with our group homes. And so, those were in statute. So, when you look at STEAR, it's not even in statute. So, Representative Bucy put on an amendment that actually hangs on top of an executive order, which is very rare in this process, but that is where we find ourselves. So, the registry itself is voluntary. So, no city, no county has to do it. In working through this, I noticed, you know, during Winter Storm Uri, certainly we had a number of constituents that called that said they were part of this registry, but nobody even checked on them because they don't have to. And so, it's very confusing in that, you know, a person might be in the registry, but then nobody ever calls on them. Representative Bucy, I think his effort, and that was a House bill that passed unanimously out of committee, no one registered to, Texas Association of Counties, nobody registered to vote against it or to say anything negative about it. He is trying to give some belts and suspenders to that registry. So, the registry itself is voluntary. I don't believe that this will be an unfunded mandate. It may result in some of our cities and counties opting out of STEAR. We will come back next session and work with this. I've already talked to Chief Nim Kidd about this issue, and we will be working through this.

Senator Nichols: Okay, thank you, appreciate your response. I'm hoping that Nim Kidd also can work out some rules, so somehow or another, people that don't want to, the requirement to send people out there even regards of how noble a cause that is, they're not mandated to do it. They can voluntarily drop out of the registry. And so, Mr. President, I wish to ask that this exchange between Senator Kolkhorst and I be reduced to writing and entered into the record.

Senate Rule 12.03(4) is suspended to permit the committee to add text on a matter not included in either the house or senate version of the bill by adding the following new SECTION to the bill:

SECTION 8. Section 32.0261, Human Resources Code, is amended to read as follows:

Sec. 32.0261. CONTINUOUS ELIGIBILITY. (a) This section applies only to a child younger than 19 years of age who is determined eligible for medical assistance under this chapter.

(b) The executive commissioner shall adopt rules in accordance with 42 U.S.C. Section 1396a(e)(12), as amended, to provide for two consecutive periods of ~~a period of continuous~~ eligibility for a child between each certification and recertification of the child's eligibility, subject to Subsections (f) and (h) ~~under 19 years of age who is determined to be eligible for medical assistance under this chapter.~~

(c) The first of the two consecutive periods of eligibility described by Subsection (b) must be continuous in accordance with Subsection (d). The second of the two consecutive periods of eligibility is not continuous and may be affected by changes in a child's household income, regardless of whether those changes occurred or whether the commission became aware of the changes during the first or second of the two consecutive periods of eligibility.

(d) A ~~The rules shall provide that the~~ child remains eligible for medical assistance during the first of the two consecutive periods of eligibility, without additional review by the commission and regardless of changes in the child's household ~~resources or~~ income, until ~~the earlier of:~~

~~(1)~~ the end of the six-month period following the date on which the child's eligibility was determined, except as provided by Subsections (f)(1) and (h) ~~or~~

~~(2) the child's 19th birthday.~~

(e) During the sixth month following the date on which a child's eligibility for medical assistance is certified or recertified, the commission shall, in a manner that complies with federal law, including verification plan requirements under 42 C.F.R. Section 435.945(j), review the child's household income using electronic income data available to the commission. The commission may conduct this review only once during the child's two consecutive periods of eligibility. Based on the review:

(1) the commission shall, if the review indicates that the child's household income does not exceed the maximum income for eligibility for the medical assistance program, provide for a second consecutive period of eligibility for the child until the child's required annual recertification, except as provided by Subsection (h) and subject to Subsection (c); or

(2) the commission may, if the review indicates that the child's household income exceeds the maximum income for eligibility for the medical assistance program, request additional documentation to verify the child's household income in a manner that complies with federal law.

(f) If, after reviewing a child's household income under Subsection (e), the commission determines that the household income exceeds the maximum income for eligibility for the medical assistance program, the commission shall continue to provide medical assistance to the child until:

(1) the commission provides the child's parent or guardian with a period of not less than 30 days to provide documentation demonstrating that the child's household income does not exceed the maximum income for eligibility; and

(2) the child's parent or guardian fails to provide the documentation during the period described by Subdivision (1).

(g) If a child's parent or guardian provides to the commission within the period described by Subsection (f) documentation demonstrating that the child's household income does not exceed the maximum income for eligibility for the medical assistance

program, the commission shall provide for a second consecutive period of eligibility for the child until the child's required annual recertification, except as provided by Subsection (h) and subject to Subsection (c).

(h) Notwithstanding any other period prescribed by this section, a child's eligibility for medical assistance ends on the child's 19th birthday.

(i) The commission may not recertify a child's eligibility for medical assistance more frequently than every 12 months as required by federal law.

(j) If a child's parent or guardian fails to provide to the commission within the period described by Subsection (f) documentation demonstrating that the child's household income does not exceed the maximum income for eligibility for the medical assistance program, the commission shall provide the child's parent or guardian with written notice of termination following that period. The notice must include a statement that the child may be eligible for enrollment in the child health plan under Chapter 62, Health and Safety Code.

(k) In developing the notice, the commission shall consult with health care providers, children's health care advocates, family members of children enrolled in the medical assistance program, and other stakeholders to determine the most user-friendly method to provide the notice to a child's parent or guardian.

(l) The executive commissioner may adopt rules as necessary to implement this section.

Explanation: This addition is necessary to provide for continuous eligibility and a periodic eligibility review for a child for Medicaid.

BE IT RESOLVED by the Senate of the State of Texas, 87th Legislature, Regular Session, 2021, That Senate Rule 12.03 be suspended in part as provided by Senate Rule 12.08 to enable the conference committee appointed to resolve the

differences on House Bill 3720 (long-term care facilities for and Medicaid waiver programs available to certain individuals, including individuals with intellectual and developmental disabilities) to consider and take action on the following matters:

(1) Senate Rule 12.03(2) is suspended to permit the committee to omit text not in disagreement by omitting proposed Section 531.06035, Government Code, and the transition language associated with that section. The omitted text imposes a duty on the Health and Human Services Commission to conduct a medical necessity assessment of a child who receives Supplemental Security Income (SSI) before placing the child on the interest list for the medically dependent children (MDCP) program.

Explanation: The omission of the text is necessary to remove the duty imposed on the Health and Human Services Commission to conduct certain medical necessity assessments of a child who receives Supplemental Security Income (SSI) before placing the child on the interest list for the medically dependent children (MDCP) program.

(2) Senate Rule 12.03(4) is suspended to permit the committee to add text on a matter not included in either the house or senate version of the bill by adding the following new SECTION to the bill:

SECTION 1. Section 531.0581(b), Government Code, is amended to read as follows:

(b) The executive commissioner shall establish a Long-Term Care Facilities Council as a permanent advisory committee to the commission. The council is composed of the following members appointed by the executive commissioner:

- (1) at least one member who is a for-profit nursing facility provider;
- (2) at least one member who is a nonprofit nursing facility provider;
- (3) at least one member who is an assisted living services provider;
- (4) at least one member responsible for survey enforcement within the state survey and certification agency;
- (5) at least one member responsible for survey inspection within the state survey and certification agency;
- (6) at least one member of the state agency responsible for informal dispute resolution;
- (7) at least one member with expertise in Medicaid quality-based payment systems for long-term care facilities;
- (8) at least one member who is a practicing medical director of a long-term care facility; ~~and~~
- (9) at least one member who is a physician with expertise in infectious disease or public health; and
- (10) at least one member who is a community-based provider at an intermediate care facility for individuals with intellectual or developmental disabilities licensed under Chapter 252, Health and Safety Code.

Explanation: This addition is necessary to change the composition of the Texas Long-Term Care Facilities Council to include at least one member who is a community-based provider at certain intermediate care facilities.

(3) Senate Rule 12.03(4) is suspended to permit the committee to add text on a matter not included in either the house or senate version of the bill by adding the following new SECTIONS to the bill:

SECTION 3. Section 252.065(b), Health and Safety Code, is amended to read as follows:

(b) The penalty for a facility with fewer than 60 beds shall be not less than \$100 or more than \$1,000 for each violation. The penalty for a facility with 60 beds or more shall be not less than \$100 or more than \$5,000 for each violation. Each day a violation occurs or continues is a separate violation for purposes of imposing a penalty. The total amount of penalties [~~a penalty~~] assessed under this subsection for an on-site regulatory visit or complaint investigation, regardless of the duration of any ongoing violations, [~~for each day a violation occurs or continues~~] may not exceed:

- (1) \$5,000 for a facility with fewer than 60 beds; and
- (2) \$25,000 for a facility with 60 beds or more.

SECTION 4. Section 161.089, Human Resources Code, is amended by amending Subsection (c) and adding Subsection (c-1) to read as follows:

(c) After consulting with appropriate stakeholders, the executive commissioner shall develop and adopt rules regarding the imposition of administrative penalties under this section. The rules must:

- (1) specify the types of violations that warrant imposition of an administrative penalty;
- (2) establish a schedule of progressive administrative penalties in accordance with the relative type, frequency, and seriousness of a violation;
- (3) prescribe reasonable amounts to be imposed for each violation giving rise to an administrative penalty, subject to Subdivision (4);
- (4) authorize the imposition of an administrative penalty in an amount not to exceed \$5,000 for each violation;
- (5) provide that a provider commits a separate violation each day the provider continues to violate the law or rule;
- (6) ensure standard and consistent application of administrative penalties throughout the state; [~~and~~]
- (7) provide for an administrative appeals process to adjudicate claims and appeals relating to the imposition of an administrative penalty under this section that is in accordance with Chapter 2001, Government Code; and
- (8) ensure standard and consistent interpretation of service delivery rules and consistent application of administrative penalties throughout this state.

(c-1) On adoption of the rules under Subsection (c), the executive commissioner shall develop interpretative guidelines for regulatory staff and providers regarding the imposition of administrative penalties under this section.

SECTION 6. Not later than December 1, 2021, the executive commissioner of the Health and Human Services Commission shall adopt the rules necessary to implement Section 252.065(b), Health and Safety Code, as amended by this Act, and Section 161.089, Human Resources Code, as amended by this Act.

SECTION 7. The Health and Human Services Commission may not assess a penalty under Section 161.089, Human Resources Code, as amended by this Act, until the executive commissioner of the Health and Human Services Commission:

(1) adopts the rules necessary to implement Section 161.089(c)(8), Human Resources Code, as added by this Act; and

(2) develops the interpretive guidelines required by Section 161.089(c-1), Human Resources Code, as added by this Act.

Explanation: The changes are necessary to implement certain changes to law relating to the imposition of administrative penalties against certain long-term care facilities, including a change to the amount of an administrative penalty for certain violations committed by intermediate care facilities for individuals with an intellectual disability and a change to ensure the executive commissioner of the Health and Human Services Commission adopts standard and consistent rules relating to the interpretation and consistent application of administrative penalties against certain long-term care facilities.

REMARKS ORDERED PRINTED

On motion of Senator Lucio and by unanimous consent, the remarks by Senators Taylor and Lucio regarding **HB 1468** were ordered reduced to writing and printed in the *Senate Journal* as follows:

Senator Lucio: Chairman Taylor, please forgive me, you and I spoke here by the rail a little while ago on special needs, on a special needs issue. Is this the bill that we spoke about?

Senator Taylor: Yes, Sir.

Senator Lucio: And the only thing I want, the reason I'm bringing it up is this, and you explained to me, and I'm satisfied with your explanation, Mr. Chairman. But I had originally worked on some language to say that if remote teaching or online was the way to go that it had to be made accessible to special needs children. And you very kindly informed me that that was already, that's already in the law. And I just wanted you to just make a comment or two to that effect so that people that are listening who have special needs children will understand that they're covered. If you don't mind, Sir.

Senator Taylor: Yeah.

Senator Lucio: Because you did remove that language from your bill.

Senator Taylor: Thank you, Senator. Yes, and what we've been informed by TEA, we already had these protections in place for all of our special needs students. If they don't feel like they're being given the services they need or they're being denied service because they're special needs, all they have to do is file a complaint with TEA,

and TEA will investigate those accusations or dissatisfactions. And that's already in current law, so I think you'd have that same protection for virtual as you would classroom and any of the other services that we, that we currently offer our students.

Senator Lucio: I really appreciate that, and if you don't mind, but with all due respect, I'd like to ask that the President, Mr. President, if you would just, those remarks that you just made, if we could reduce those and put them in the *Senate Journal*, if you don't mind, so, for everyone to be able to reflect on. Thank you so much, Mr. Chairman.

Senator Taylor: Thank you, Senator.

CONFERENCE COMMITTEE REPORT ON HOUSE BILL 572 ADOPTED

Senator Lucio called from the President's table the Conference Committee Report on **HB 572**. The Conference Committee Report was filed with the Senate on Saturday, May 29, 2021.

On motion of Senator Lucio, the Conference Committee Report was adopted by the following vote: Yeas 31, Nays 0.

On motion of Senator Huffman, the Conference Committee Report was adopted by the following vote: Yeas 21, Nays 10.

Yeas: Bettencourt, Birdwell, Buckingham, Campbell, Creighton, Hall, Hancock, Hinojosa, Huffman, Hughes, Johnson, Kolkhorst, Lucio, Nelson, Nichols, Paxton, Perry, Schwertner, Seliger, Springer, Taylor.

REMARKS ORDERED PRINTED

On motion of Senator Huffman and by unanimous consent, her remarks regarding **HB 20** were ordered reduced to writing and printed in the *Senate Journal* as follows:

I want to touch specifically on the legislative intent for Art. 17.027 and some alterations we made in conference. This section is included to ensure that within the same county and jurisdiction, if a defendant is out on bond and is charged with a new offense, they are presented to the original magistrate for any further bail determinations. If a person out on bond commits an offense in a different county, then the original magistrate doesn't have jurisdiction on the new offense, but that magistrate should be notified to ensure no bond conditions were violated.

(Note: Prepared text)

REMARKS ORDERED PRINTED

On motion of Senator West and by unanimous consent, the remarks by Senators Huffman and West regarding **HB 20** were ordered reduced to writing and printed in the *Senate Journal* as follows:

Senator West: Thank you very much, Senator.

Senator Huffman: Yes.

Senator West: I want to make sure we take time to talk about indigent people.

Senator Huffman: About what?

Senator West: Indigents.

Senator Huffman: Yes.

Senator West: How does this particular bill, based on the current law that we have for bail bonds or bonds here in the State of Texas, how does this change what indigents must do in order to avail themselves of getting a personal bond or a lower bond? Or even—

Senator Huffman: I think—

Senator West: —having a bond set.

Senator Huffman: —it, I think it, it makes sure there's a good process in place that if they are, in fact, indigent that they're, that will come to the attention of a court who must consider all the factors and determine whether or not they are indigent, of course, but also look through the factors established in the law to determine whether or not they would be an appropriate candidate for a personal bond. I don't know if you heard my layout, but this really, except for the process of having to look at the criminal history and look at specific factors, there's no limitation on personal bonds for many misdemeanors and many felonies. It's really focused, the limitations occur mainly on the violent felonies that I've laid out.

Senator West: And which, and which we—

Senator Huffman: Yeah.

Senator West: —should do.

Senator Huffman: Right. So—

Senator West: It's not—

Senator Huffman: —the bill proposal makes sure and, you know, it lays out that a personal bond and/or a monetary bond is to be considered, but it gives all the factors that have to be considered and a process to apply for indigency.

Senator West: As I understand the bill, as I understand the bill also, those indigents that are in jail have to fill out at least two years of financials or some form that's going to be promulgated will ask for two years of financials?

Senator Huffman: I don't think it's two years of financials. I think there's information provided that I believe they will fill out to the best of their ability and then the judge will make, or magistrate will make a determination from that point.

Senator West: Two, two things then.

Senator Huffman: Yeah.

Senator West: Because I thought it was, I thought it was up to two, up to two years. I may be wrong.

Senator Huffman: I don't think it is but I'm happy to look. It's not designed to be difficult. It's designed to give information to the magistrate to establish indigency. So, I don't think of it as designed to, it's meant to help individuals establish their indigency.

Senator West: Is it, is this particular document that they have to fill out made under penalty of perjury?

Senator Huffman: I don't, but let me look. I'm not sure, I don't want to give you the wrong answer.

Senator West: And the reason I'm asking is, as you're looking, if someone's in jail and they're indigent and they're trying to fill this out as best possible—

Senator Huffman: Right.

Senator West: —without real access to the information—

Senator Huffman: Umh hmm.

Senator West: —and they make a mistake and put down the wrong information, would they then be subject to a third-degree felony in terms of a government, this is a government document, so falsification of a government document.

Senator Huffman: Senator West, I'm trying to look. I don't remember there having to be like a perjury warning or anything. Certainly not designed at all to try to, you know, trick someone accused or someone in jail. It's really, was designed to provide information to the magistrate.

Senator West: No, I understand that but, you know—

Senator Huffman: Yeah.

Senator West: —these all, there's always instances where the unintended consequences—

Senator Huffman: Right.

Senator West: If I'm sitting in jail and I have to fill out a financial—

Senator Huffman: Right.

Senator West: —ability document, I don't have access to a lot of the documents that I would need in order to fill it out. And so, I want to make certain that they do it to the best of their ability, but they're not subject to perjury.

Senator Huffman: I finally found the section. You know, Senator, when we were writing this, believe me, we were trying to make it, we understood that it can be difficult to provide information like that, but it's sort of a, how do you, how do you provide it if you don't provide it. You know, I don't—

Senator West: You're in jail, you're in jail, how can you—

Senator Huffman: —that means so, I think the intent was that they give as much information as possible. Let's see, and it does say that they do file an affidavit under Subsection (f). I'm looking here so I can give you a good answer. It is a sworn affidavit in substantially the following form, and I'm on page 10 if you have a copy of the, if you have a copy of the CCR.

Senator West: I'm looking at the corrected.

Senator Huffman: Yes, I think that's, that should be it. It's on page 10, see, shall complete a form. What we did was consolidate it with a form used to request appointment of counsel so it could all kind of be done at once. We are trying to streamline the process here and make it as, and I believe, I believe that this language is from *O'Donnell*. Yes, okay. This language we took directly from the Supreme, I mean the Fifth Circuit case. So—

Senator West: That's the one out of Houston.

Senator Huffman: No, that's the one out of Houston that went to the Fifth Circuit, yeah.

Senator West: Right.

Senator Huffman: So, we took this language so, I do understand what you're saying, but we did take the language from *O'Donnell*, and so everything in this bill we like tracked *O'Donnell*. We're really trying to exactly follow—

Senator West: That's—

Senator Huffman: —the parameters of the federal court.

Senator West: And that case was never, it was never implemented in Harris County, though. Right?

Senator Huffman: There was some implementation. I don't know if this exact part was implemented, but it, but Harris County is under *O'Donnell*. I'm not sure if they use this exact form or if they have modified it in some way.

Senator West: And I understand. But I just want to make certain two things. If someone is filling out a document to the best of their ability—

Senator Huffman: Right.

Senator West: —and something happens to be wrong in there, I don't want to see a falsification of government document or perjury case come out of it.

Senator Huffman: I don't want to see that happen either, Senator West.

Senator West: That is not your intent, is it?

Senator Huffman: That is not my intent at all. So, from, you know this is a big bill. It's long, it makes a lot of changes in the process. There's a lot of data that's going to be collected. I'm going to watch this very carefully over the next two years. And if there's some aspects of it that need to be tweaked as we often do with these big pieces of legislation, we'll work on it. So, but it's not our intent to trick someone or trap someone. And I do understand that it does sound like that's a lot of information and you and I think, both know from experience very often you may see a defendant who simply states I'm unemployed or I'm homeless or, you know, or someone presents perhaps with mental issues, mental health issues, and it's pretty clear that they're indigent. Right? I don't think they're going to lose that aspect of the process.

Senator West: Okay, one other question.

Senator Huffman: Yes.

Senator West: I assume that this be, all this becomes a part of the court file.

Senator Huffman: Yes.

Senator West: And so, if prosecution wanted to use it, they could use it for whatever purpose they desire.

Senator Huffman: I do not think that they could use that as any evidence against a defendant.

Senator West: I didn't see anything in here that said one way or the other.

Senator Huffman: Let me look. I don't know if that's addressed in this. I don't think that it is. But my experience has been in the past that that kind of information is in the court's file, but that doesn't necessarily mean that that is information that, and the prosecutor, of course, will access if he is representing in a bond hearing or something. There may be some information worth finding—

Senator West: Outside of a bond hearing.

Senator Huffman: Yeah. I just don't know how you determine if someone's indigent if you don't gather this information.

Senator West: I understand that.

Senator Huffman: Yeah. Yeah.

Senator West: But for any other purpose other than determining—

Senator Huffman: It's—

Senator West: —a person's indigency.

Senator Huffman: —it needs to be for the purpose of determining indigency.

Senator West: Only.

Senator Huffman: Yes.

Senator West: Okay. Otherwise it should—

Senator Huffman: That's my understanding of the law.

Senator West: —otherwise it should not be utilized by the prosecution.

Senator Huffman: For, yes, evidence against the defendant. Correct.

Senator West: And that's your intent as the author.

Senator Huffman: That's my intent.

Senator West: Okay.

Senator Huffman: Yes.

Senator West: Thank you very much.

Senator Huffman: Yes, yes.

A member described by Subsection (g)(6) or (7) must serve a term that expires in an odd-numbered year. As soon as practicable after the date a member of the governing body's term expires, the appropriate authority must appoint or arrange for the election of a replacement in the same manner as the original appointment or election. If a vacancy occurs on the governing body, the appropriate authority must appoint or arrange for the election of a successor in the same manner as the original appointment or election to serve for the remainder of the unexpired term.

Explanation: The change is necessary to omit the term and vacancy requirements.

(4) Senate Rule 12.03(4) is suspended to permit the committee to add text on a matter not included in either the house or senate version of the bill by adding the following new SECTION to the bill:

SECTION 4. Subchapter D, Chapter 39, Utilities Code, is amended by adding Section 39.1513 to read as follows:

Sec. 39.1513. ERCOT BOARD SELECTION COMMITTEE. (a) The ERCOT board selection committee is composed of:

(1) one member appointed by the governor;

(2) one member appointed by the lieutenant governor; and

(3) one member appointed by the speaker of the house of representatives.

(b) A person may not be appointed as a member of the committee unless the person is a resident of this state.

(c) A member of the committee is not entitled to compensation for serving as a member but is entitled to reimbursement for actual and necessary expenses incurred in performing the official duties of office.

(d) The committee shall select members eligible under Section 39.151 to serve on the governing body of an independent organization certified under that section for the ERCOT power region and shall designate the chair and vice chair of the governing body from those members.

(e) The ERCOT board selection committee shall retain an outside consulting firm to help select members of the governing body under Subsection (d).

Explanation: The addition is necessary to provide for the creation of a committee to select the members of a governing body of an independent organization certified under Section 39.151, Utilities Code, for the Electric Reliability Council of Texas power region.

(5) Senate Rule 12.03(2) is suspended to permit the committee to omit text not in disagreement in SECTION 4 of the senate engrossment of Senate Bill 2 and the corresponding bill as the bill was amended by the house that would require an independent organization certified by the Public Utility Commission of Texas under Section 39.151, Utilities Code, to modify the organization to comply with Section 39.151, Utilities Code, as amended by the bill, not later than September 1, 2021. The omitted language reads: "not later than September 1, 2021".

Explanation: The omission is necessary to provide sufficient time for the ERCOT Board Selection Committee to be formed and for the committee to select members of the governing body of the independent organization certified under Section 39.151, Utilities Code, for the Electric Reliability Council of Texas power region.

REMARKS ORDERED PRINTED

On motion of Senator Gutierrez and by unanimous consent, the remarks by Senators Hancock and Gutierrez regarding **HB 4492** were ordered reduced to writing and printed in the *Senate Journal* as follows:

Senator Gutierrez: Thank you, Mr. President. I'll, in advance, I'll tell you it's not my intent to talk this down. I just want to get some things on the record that have occurred in the last 24 hours here—

President: Sure.

Senator Gutierrez: —because I think it's important for the people of Texas to know this. Last night, we received a version of this bill from the House at 11:55. Can you tell us what were the elements of that last version from our first conference committee report?

Senator Hancock: Pretty much what we read here other than the provision that was added in, to put back in the 2.1 cap on the legislation.

Senator Gutierrez: We start, your legislation started with a cap of 2.1 percent. But somehow what came over from the House was an elimination of that cap and essentially akin to an open ATM credit card for these companies to be able to access. Is that not correct?

Senator Hancock: Yeah, Senator Gutierrez, as you know, it got here so late that it was very, very difficult to get the signatures in time. And the side-by-side took a while as well, and even when we got the side-by-side, it was the wrong side-by-side, so, yes, that was gone.

Senator Gutierrez: Okay. And at the end of the day, I think all of us, through the time that you have spent working on this bill, most of us and all of us really, quite frankly, committed to supporting this legislation, most of us. And at all times your legislation had a cap to limit the source of these particular loan proceeds to \$2.1 billion. Correct?

Senator Hancock: That is correct.

Senator Gutierrez: Okay. And unfortunately, yesterday, what we received from the House did not have that cap. Now, this corrected committee, conference report, the corrected report we're voting on in a moment, does have a cap that does not exceed \$2.1 billion. Is that correct?

Senator Hancock: Yes. And for reference, if Members want to look on page 16, that is in there. As you can tell, it was added, a very unique style there.

Senator Gutierrez: There was also amendments from our previous legislation that had a transparency component that was very important to Senator Kolkhorst. Correct?

Senator Hancock: Correct.

Senator Gutierrez: And that transparency component that was important for the ratepayers to be able to see, unfortunately, was also stripped out from the House. Correct?

Senator Hancock: Correct. And I think that's a component that we need to look at adding, you know, in the future.

Senator Gutierrez: There was also a ratepayer relief component that we had talked about here on our side, the Texas Senate would, made it very clear that we wanted to have some direct relief to ratepayers. Correct?

Senator Hancock: Correct.

Senator Gutierrez: And that was stripped out from the House of Representatives.

Senator Hancock: Correct.

Senator Gutierrez: And the ratepayer relief program, at one point there was talk of the potentiality for a direct payment to consumers. Correct?

Senator Hancock: Correct.

Senator Gutierrez: And even though we had a shell bill talking about ratepayer assistance programs, I believe that part of our conference committee report and the anticipated conference committee report was also a \$350 credit to consumers. Correct?

Senator Hancock: It was.

Senator Gutierrez: So, that they would be able to, essentially, exhaust that credit of \$350.

Senator Hancock: Correct.

Senator Gutierrez: And the House of Representatives didn't include that credit either, did they?

Senator Hancock: Correct.

Senator Gutierrez: And last night, with five minutes left, we were told to accept what they sent us, or else. Was that a fair statement?

Senator Hancock: We got it with very few minutes to pass before our deadline, Senator Gutierrez.

Senator Gutierrez: I know that you worked very hard on this. And it was very clear from the inception, and I've been very honest with you from day one, that under no circumstances were we going to attribute more than the \$2.1 billion to bucket number two and three combined, no more than the \$2.1 billion. And those communications between you and I have not wavered in any way. Correct?

Senator Hancock: Correct. And you're a key reason why that provision and that these changes were made today, Senator Gutierrez.

Senator Gutierrez: And I also understand, and we got time here, it's 11:48, I also understand that by what we're doing today, we are setting up a program so that people would be able to get, to not have the peak billing. Essentially, that is the net effect of what we're trying to do here. Correct?

Senator Hancock: Correct, Senator Gutierrez. We're trying to do what's best for the consumer and assist them in regarding to these, some of these high prices.

Senator Gutierrez: That said, by offering the state, the faith and credit of the State of Texas to access lower interest loans, we're trying to pass on that savings to consumers, as you have suggested many times. There is still a pass-through to consumers in this legislation, a minimal pass-through and not the gargantuan pass-through that they might get if we did nothing. Is that a fair statement?

Senator Hancock: Any, any interest rate you can save on \$2 billion will help consumers.

Senator Gutierrez: Alright. And we still got time, it's 11:49.

Senator Hancock: We do have to call roll.

Senator Gutierrez: I need to ensure this last point. Because I want a commitment from you, because we worked in good faith to try to get some ratepayer relief assistance. This body made it very clear in amendment number 5 that we wanted to have some direct assistance to ratepayers. It is undoubtedly clear that we're heading for a special session, undoubtedly clear. I would like a commitment from you, Sir, that we will come back and ask the Governor and ask the House of Representatives to do the right thing for the people of the State of Texas, because it is only fair and right and just. We lost 200 people, people froze in their homes, \$110 billion of property damage. A \$350 credit is the least that we could do.

Senator Hancock: Thank you, Senator Gutierrez.

Senator Gutierrez: So, do I have that commitment from you?

Senator Hancock: Yes, Sir.

Senator Gutierrez: Governor, I think I'm good here. Thank you, Sir.
