Our heavenly Father, we come today with great reverence because You and You alone are the sovereign one who has determined the times and places in which we live. We also come with great gratitude because of the privilege You have given the men and women of the Texas Senate to serve with all their might as Your ambassadors for the good of every Texan. Our request is simple, build this house. Cause the foundation of this house to be one of humility, its four walls kindness, collaboration, gratitude, and sacrifice. May each chair within it be built with integrity, and may its roof be one of charity. Please grant our requests so the leaders of the Texas Senate may serve as one and be an example to other governing bodies across our land. Father, the stakes the men and women of this Chamber face are high, and unless You build this house, they labor in vain. So, build this house. May the grace of our Lord Jesus Christ, love of God the Father, and the fellowship of the Holy Spirit be with you all as you serve for your happiness, the good of every Texan, and the glory of King Jesus, in whose name I pray. Amen.
