Thank You for Your goodness, mercy, and love that we know through the life of Your holy son, Jesus Christ. Lord, we thank You for the great State of Texas. We ask for Your grace to be with us, that You would protect our homes, schools, and businesses from all threats and danger, and that You alone would provide for our every need, as You own all things and are the great supplier. I lift up every Texas Senator today. Thank You for their work and service they give to make a difference in our state. God, I pray they would seek Your will and wisdom, for guidance in every decision that they make. Help them to please You, as they legislate this session, considering the men, women, and children that make up this special state. Lord, we need You with us. You said, Blessed is the nation whose God is the Lord. May we be a blessing to You, and others, by placing You first in our lives. Help us to glorify You, as we carry out the important responsibilities You have given us to serve the people of Texas. I pray all these things in the mighty name of Jesus. Amen.

Presiding Officer: Senator Perry, for what purpose?

Senator Perry: This is for the author.

Presiding Officer: Do you yield, Senator Hall?

Senator Hall: Yes, Sir.

Senator Perry: I want to make sure—

Presiding Officer: You're recognized, Senator Perry.

Senator Perry: —I want to just make sure this is election day only. That if you have open, early voting, like in my community we have grocery stores during the early voting periods where you can pretty much vote anywhere those grocery stores are available, or other access, but is this election day only you go back to your precincts?

Senator Hall: No, which, this is on both of them, yeah.

Senator Perry: If it's not election day voting only that you back to your precincts, which is way Lubbock does it, on election day you lose the privilege of picking a place that's handy and you're forced to your precinct. We're doing exactly what this bill does, I thought. I want to confirm, this is for election day only that you will show

up at your precinct voting place versus your early vote. If not, I would hope that you'd take an amendment to secure that. If it does, then let's make sure for the record of intent that it does. And if you don't want to do that then, I'm okay with that. I just need to know.

Senator Hall: This only affects election day voting.

Senator Perry: Only election day voting. So, on the early votes they do whatever they've been doing with no change, and my community does that, so we're good. For intent purposes, and I hate to suggest it, but I am going to ask for this conversation to be in the Journal. Alright? So, thank you, Sir, for that clarification, and I'm sorry to have stumped you. I was just sitting here listening. I like the way it works in Lubbock and I didn't want to change that. So, appreciate it.
