THIRTY-SEVENTH DAY  
(Continued)  
(Wednesday, April 19, 2023)  
AFTER RECESS  
The Senate met at 11:09 a.m. and was called to order by President Pro Tempore Hancock.  
Minister Jason Wilder, Elgin Church of Christ, offered the invocation as follows:  
Dear God and creator of all things, we humbly come to You as our source of life, love, peace, and righteousness. Father, Your holy word teaches that You are the ultimate authority, king of all kings and lord of all lords, and that there is no authority except that which You have established. So, Father, I thank You for these men and women who serve in this body. We pray that You will bring peace into their lives, into their homes, into their families, and that You will give them wisdom so that they will act in ways that bring glory to You and peace to our land. Lord, we come to You confessing that we are not always the people You would have us to be. We have called good evil and evil good, and for that we beg Your forgiveness. Purify us, Lord, from all ways that are not of You and give us a new heart and renewed spirit. We pray that You will give us pure convictions and then give us boldness to pursue those convictions. We pray for love and not hate, mercy and not vengeance, and we pray for unity and not division. I ask all these things in the name of our savior, Jesus Christ. Amen.

**Presiding Officer:** For what purpose, Senator Nichols?

**Senator Nichols:** To ask the author a question.

**Presiding Officer:** Do you yield, Senator Perry?

**Senator Perry:** I yield.

**Presiding Officer:** You're recognized, Senator Nichols.

**Senator Nichols:** Thank you, Mr. President. Senator Perry, I understand this bill would address some of the long-standing concerns that some of the USF has related to some of these rural exchanges that have now, have grown into urban and suburban areas. Is that correct?
Senator Perry: That is correct. It is actually reimplementing a system of means testing that was done in 2013, the last time exchanges were subjected to a test to remove them from U.S. support. So, very much is to, meant to pull the larger exchanges, not companies but the exchanges within those companies that no longer should be receiving a USF support.

Senator Nichols: And this bill mandates a review by the PUC to determine if an exchange should continue to receive U.S. funding. Is that—

Senator Perry: It requires the PUC to act, and if they do not act, then it is by default automatically removed under 1710 once the means test is applied every, I believe it's every two or four years they look at those.

Senator Nichols: Okay, and if they do make that determination, it would actually reduce U.S. support and exchange it with competition over a four-year period of time?

Senator Perry: It gives them a glide path. It sure, it certainly does.

Senator Nichols: Alright. Thank you.

Senator Perry: Thank you. Mr. President, I ask that that is recorded in the Journal for intent.
