MESSAGE FROM THE GOVERNOR

The following Message from the Governor was read and was filed with the Secretary of the Senate:

STATE OF TEXAS
OFFICE OF THE GOVERNOR

MESSAGE

TO THE MEMBERS OF THE SENATE AND HOUSE OF REPRESENTATIVES
OF THE EIGHTY-EIGHTH TEXAS LEGISLATURE, REGULAR SESSION:

Pursuant to Article IV, Section 14 of the Texas Constitution, I, Greg Abbott, Governor of Texas, do hereby disapprove and veto Senate Bill No. 1615 of the 88th Texas Legislature, Regular Session, due to the following objections:

Before ceding sovereign power over our State's cosmetologists to a Cosmetology Licensure Compact Commission that does not yet exist, Texas should wait and see who joins this proposed interstate compact. There is simply no need to rush into such an arrangement, as evidenced by the fact that Senate Bill No. 1615 would not even go into effect until 2026.

I have long been a champion of occupational-licensing reforms like those in Senate Bill No. 1615, especially when they help military spouses. That is why I signed Senate Bill No. 1200 into law in 2019. As a result, a military spouse with an out-of-state license can now practice a trade in the Lone Star State without the hassle of securing another license from Texas.

To take another example, I signed House Bill No. 3742 in 2015 so that Texas can enter into licensing-reciprocity agreements with sister states. Instead of waiting until 2026 for someone else to cut red tape, I hereby direct the Texas Department of Licensing and Regulation to redouble its efforts on entering into those bilateral agreements. A copy of this disapproval message shall be filed with that state agency.

There will be time enough to reassess the membership and direction of this Cosmetology Licensure Compact Commission in 2025, when the 89th Legislature convenes. Meanwhile, I will continue to defend Texas's sovereignty and push for real reforms that let Texans get to work.

Since you remain gathered in regular session and continue to conduct formal business, I am delivering this disapproval message directly to you along with the unsigned official enrolled copy of the bill.

Respectfully submitted,
/s/Greg Abbott
Governor of Texas

REMARKS ORDERED PRINTED

On motion of Senator Hall and by unanimous consent, the remarks by Senators Hall and Kolkhorst regarding **HB 12** were ordered reduced to writing and printed in the *Senate Journal* as follows:

President: Senator Hall, what purpose?

Senator Hall: Ask the author a couple of questions.

President: Do you yield?

Senator Kolkhorst: Yes, Sir, I do.

Senator Hall: Senator, I understand what you're saying and I think this is a good clarification that needs to be made because we definitely, after some of the changes have been made, want to make sure that women have good coverage. And for those that have a baby and, or those that end up with an unintended miscarriage, that the coverage is there for a reasonable amount of time. And then, I think what we're talking about is about 12 months now. And there's some confusion between the federal law and the state law on how that works and what we have implemented. And so, I think what you've put together is a bill that will really clarify that, so that those women that should get the support would get it the way it's intended for it to be.

Senator Kolkhorst: I do, Senator Hall. I know that you had an amendment and we talked all day. And again, you know, making sure that this is a pro-life bill, there are questions about the bill that says, well, if a lady has an abortion, maybe goes to New Mexico or takes the RU-486, which is being litigated right now. I believe the Amarillo court is now moving to the Fifth Court, is that woman, is that woman covered? And I think the important question here is that we are a pro-life state, post-*Dobbs*, we certainly are. I asked the question tonight of some experts, you know, how many abortions have we had that we know? And we used to, you know, have lots and lots. And today we have curbed that down to almost zero. And so, you know, again, making sure that we have the right language and the intent language, which is going to be the intent language that I offer, but I'm not going to adjust the language in the bill currently. Again, making sure that the CMS understands our intent that we are a pro-life state with a trigger law. We have no abortions in this state and that our intent is for a woman who carries a baby to term or who has had complications, as we all know, or a miscarriage receive that 12 months.

Senator Hall: Okay. So, with what you're talking about in the language you have or the intent, the amendment that I was talking about doing would not be necessary.

Senator Kolkhorst: I believe so—

Senator Hall: Okay.

Senator Kolkhorst: —Senator Hall.

Senator Hall: I'm good—

Senator Kolkhorst: I really—

Senator Hall: —with that.

Senator Kolkhorst: —do.

Senator Hall: Because you're getting to where I thought we ought to be, which is what you just got through describing about taking care of women who have the baby or have an unintended miscarriage but not open the door for those that do have an abortion. Because we are pro-life here and we're not going to do anything to encourage abortion in the other locations—

Senator Kolkhorst: Right.

Senator Hall: —for people to come back here and then take advantage of a loophole that we have.

Senator Kolkhorst: That is—

Senator Hall: So this—

Senator Kolkhorst: —yeah.

Senator Hall: —closes that loophole.

Senator Kolkhorst: That is the intent of this bill is that for women who, again, have carried their baby to term and given birth, and that's what SB 24's all about. You know, with our thriving Texas families and wraparound services and we celebrate life with our mothers, and in some cases where there is a miscarriage that they are also provided that healthcare. I've talked to a number of Members on this floor. We don't always walk around with these little green sheets, but I did in talking to people, and I know that this bill is hugely popular. Again, it is a post-*Dobbs* era and we are celebrating that women choose life and that they're able to carry those babies. And the intent is that there is no loophole that has been created. I certainly don't see a lady that goes from here to New Mexico to have an abortion and then comes back and tries to get Medicaid. I don't see that happening. And that's certainly not what we're encouraging and the intent language will certainly, will speak to that.

Senator Hall: That's good because that's what, that's exactly what we need to have come out of this bill, is our intent, as you have just described it. So, thank you for it and I will not, I'll not be bringing forth the amendment I had because what you've said, intent covers what I would've proposed in amendment to the bill, and I think it probably is a better way to do it.

Senator Kolkhorst: This is about life, celebrating the miracle that our God and creator gives us the ability to procreate and give life to others and making sure that these women have the services needed to stay healthy to take care of those babies.

Senator Hall: And encourages women to not have an abortion.

Senator Kolkhorst: Absolutely. We are in a post-*Dobbs* era and we are here about life and making sure that these women are successful and being healthy. And then, of course, in, as I've mentioned in Senate Bill 24, being able to help raise that child and do well with it, with them, yeah, those babies.

Senator Hall: Okay. Thank you, Senator. Mr. President, I'd like to have the exchange between Senator Kolkhorst and I reduced to writing and included in the Journal.

REMARKS ORDERED PRINTED

On motion of Senator Middleton and by unanimous consent, the remarks by Senators Middleton and Kolkhorst regarding **HB 12** were ordered reduced to writing and printed in the *Senate Journal* as follows:

President: Senator Middleton, what purpose?

Senator Middleton: Thank you, Mr. President. Will the author yield?

President: Do you yield?

Senator Kolkhorst: I will.

Senator Middleton: Or sponsor, sorry.

Senator Kolkhorst: Sure.

Senator Middleton: Thank you, Senator Kolkhorst. We've talked a little bit about this bill here today. I know you had a similar concern as I did. And there's a provision in HB 12 that states that the commission may delay implementing this act until the State Plan Amendment, so the SPA amendment is approved. And so, you know, my concern with that is the fiscal note assumes, you know, the typical state share, about 40 percent, I think. And I just want to make sure that by passing this, we're not inadvertently taking on 100 percent of the cost here, and that really is going to be the 40 percent state share.

Senator Kolkhorst: Senator Middleton, I know you also had an amendment today, and we've talked through this. And I want to clarify that that language that you're talking about, and this is a one-page bill, so on page 1, about midway through, line 39 through 40, lines 39 through 40. And it does look like it's permissive. And as you said before, implementation, would we be responsible for 100 percent of that? Human Resources Code, the code, Section 32.024, Subsection (e), states that the commission may not authorize the provision of any service to any person under the program, which the program is Medicaid, unless federal matching funds are available to pay the cost of the service. So, we're actually covered in Human Resources Code that HHSC could not pay for 100 percent because this is a Medicaid program. And one of our richest ones because, of course, we go well above 137 percent, I think it's almost 200 percent that we cover in this. So, that would be very costly if we did not have the federal match, and so, I feel very good about being covered under the Human Resources Code, Section 32.024, Subsection (e).

Senator Middleton: Thank you, Senator, and I think that really clarifies my main concern here because the fiscal note at 40 percent is, like, in 2025 is 117 million. And we, you know, doubling that or more than doubling that would be a significant change from what this fiscal note says. So, thank you for clarifying that. And I would also move that our remarks be reduced to writing and placed in the Journal.
