BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF TEXAS:

(b) The legislature finds that:

(1) the Right To Try Act, as added by Chapter 502 (H.B. 21), Acts of the 84th Legislature, Regular Session, 2015, has had tremendous success in saving the lives of many patients with a terminal illness;

(3) patients who are battling a severe chronic disease that is debilitating or causes severe pain do not have the luxury of waiting until the United States Food and Drug Administration gives final approval for an investigational drug, biological product, or device;

(4) the United States Food and Drug Administration standards for the use of investigational drugs, biological products, and devices may deny the benefits of potentially life-altering treatment to patients with a severe chronic disease;

(5) patients with a severe chronic disease have a fundamental right to attempt to pursue the preservation of their state of life by accessing available investigational drugs, biological products, and devices;

(6) the use of available investigational drugs, biological products, and devices is a decision that a patient with a severe chronic disease should make in consultation with the patient's physician and is not a decision the government should make; and

(7) the decision to use an investigational drug, biological product, or device should be made with full awareness of the potential risks, benefits, and consequences to a patient with a severe chronic disease and the patient's family.

(c) It is the intent of the legislature to allow patients with a severe chronic disease to use potentially life-altering investigational drugs, biological products, and devices.

SUBCHAPTER B. ACCESS TO INVESTIGATIONAL DRUGS, BIOLOGICAL PRODUCTS, AND DEVICES FOR PATIENTS WITH SEVERE CHRONIC DISEASES

Sec. 490.051. PATIENT ELIGIBILITY. A patient is eligible to access and use an investigational drug, biological product, or device under this chapter if:

(1) the patient has a severe chronic disease the commissioner designates under Section 490.002 that the patient's treating physician confirms in writing;

(2) the use of the investigational drug, biological product, or device is consistent with this chapter and rules adopted under this chapter; and

(3) the patient's physician:

(A) in consultation with the patient, considers all other treatment options the United States Food and Drug Administration has currently approved and determines those treatment options are unavailable or unlikely to provide relief for the significant impairment or severe pain associated with the patient's severe chronic disease; and

(B) recommends or prescribes in writing the patient's use of a specific class of investigational drug, biological product, or device.

Sec. 490.052. INFORMED CONSENT. (a) Before receiving an investigational drug, biological product, or device, an eligible patient must sign a written informed consent. If the patient is a minor or lacks the mental capacity to provide informed consent, a parent, guardian, or conservator may provide informed consent on the patient's behalf.

(b) The commissioner may prescribe a form for the informed consent required under this section.

Sec. 490.053. PROVISION OF INVESTIGATIONAL DRUG, BIOLOGICAL PRODUCT, OR DEVICE BY MANUFACTURER. (a) A manufacturer of an investigational drug, biological product, or device may make available the

manufacturer's investigational drug, biological product, or device to eligible patients in accordance with this chapter if the patient provides to the manufacturer the informed consent required under Section 490.052.

(b) This chapter does not require a manufacturer to make available an investigational drug, biological product, or device to an eligible patient.

(c) If a manufacturer makes available an investigational drug, biological product, or device to an eligible patient under this subchapter, the manufacturer must provide the investigational drug, biological product, or device to the eligible patient without receiving compensation.

Sec. 490.054. CAUSE OF ACTION NOT CREATED. This chapter does not create a private or state cause of action against a manufacturer of an investigational drug, biological product, or device or against any other person or entity involved in the care of an eligible patient using the investigational drug, biological product, or device for any harm to the patient resulting from the investigational drug, biological product, or device.

Sec. 490.055. STATE MAY NOT INTERFERE WITH ACCESS TO INVESTIGATIONAL DRUG, BIOLOGICAL PRODUCT, OR DEVICE. An official, employee, or agent of this state may not block or attempt to block an eligible patient's access to an investigational drug, biological product, or device under this chapter unless the drug, biological product, or device is considered adulterated or misbranded under Chapter 431. For purposes of this section, a governmental entity may not consider the drug, biological product, or device to be adulterated or misbranded based solely on the United States Food and Drug Administration not yet finally approving the drug, biological product, or device.

SUBCHAPTER C. HEALTH INSURANCE

Sec. 490.101. EFFECT ON HEALTH CARE COVERAGE FOR CLINICAL TRIAL ENROLLEES. This chapter does not affect the coverage of enrollees in clinical trials under Chapter 1379, Insurance Code.

SUBCHAPTER D. PHYSICIANS

Sec. 490.151. ACTION AGAINST PHYSICIAN'S LICENSE PROHIBITED. Notwithstanding any other law, the Texas Medical Board may not revoke, fail to renew, suspend, or take any action against a physician's license under Subchapter B, Chapter 164, Occupations Code, based solely on the physician's recommendations to an eligible patient regarding access to or treatment with an investigational drug, biological product, or device, provided that the recommendations meet the requirements of this chapter and rules adopted under this chapter.

SECTION 3. (a) As soon as practicable after the effective date of this Act, the commissioner of state health services shall designate the medical conditions considered to be severe chronic diseases as required by Section 490.002, Health and Safety Code, as added by this Act.

(b) As soon as practicable after the effective date of this Act, the executive commissioner of the Health and Human Services Commission shall adopt the rules required by Section 490.003, Health and Safety Code, as added by this Act. The executive commissioner may adopt initial rules in the manner provided by law for emergency rules.

SECTION 4. This Act takes effect immediately if it receives a vote of two-thirds of all the members elected to each house, as provided by Section 39, Article III, Texas Constitution. If this Act does not receive the vote necessary for immediate effect, this Act takes effect September 1, 2023.

James William "Bill" Haley
Senate Resolution 630

WHEREAS, The passing of former Texas State Representative and Senator James William Haley of Austin on July 3, 2022, at the age of 78, brought a great loss to his family and many friends; and

Austin State University and a master's degree at Texas State University; during a career in public education that spanned more than a dozen years in Houston and then Center, he taught government, American history, and economics courses, making the subjects fun and interesting while encouraging students to excel; and

WHEREAS, Mr. Haley won a special election for a seat in the Texas House of Representatives in 1978, and he took a leading role in enacting sweeping education reforms; widely acknowledged as the most vigorous in the nation at the time, the changes limited class size, set standards for student performance and teacher competency, and raised educator pay rates; he served as chair of the House Public Education Committee, as well as subcommittees on Public Education Appropriative Matters and Budget and Oversight; in addition, he was a member of several other committees, among them State Affairs and Financial Institutions; and

WHEREAS, Following his election to the Texas Senate in 1988, he remained an ardent champion of education, earning the nickname "East Texas Maverick" from writer Molly Ivins for both his East Texas drawl and his tenacity; Senator Haley co-chaired the Interim Committee on Proprietary Schools, chaired the Interim Committee on Education, and served as vice chair of the Senate Education Committee and chair of the Special Committee on Administration; throughout his tenure in public office, he was known for both his keen insight and his wit; in one of his better-known jests, he offered a tongue-in-cheek bill amendment to route an intercity bullet train through his hometown, with its population of 6,000, a tactic that earned a whimsical "Best Boondoggle" award from *Texas Monthly*; the recipient of numerous more serious accolades, he was accorded the Friend of Education Award by the Texas Classroom Teachers Association and Champion of Education Award by the Texas Elementary Principals and Supervisors Association, among many others; and

WHEREAS, Senator Haley returned to private life in 1995; a valued member of University Christian Church, he served in various leadership roles, including elder and chair of the board, and he enjoyed teaching the Seekers church school class for 23 years; dedicated to his alma mater, he was active on the board of the Austin Chapter of the TCU Alumni Association, and he was a member of the Austin Regional Council, the National Alumni Board, and the executive board of the TCU College of Fine Arts Board of Visitors; and

WHEREAS, In all his endeavors, Senator Haley enjoyed the love and support of his wife, Mary, and the couple formed a strong team, having known each other since childhood; he took great pride in his sons, Jeffrey and Robert, and he had the pleasure of seeing his family grow to include five grandchildren; and

WHEREAS, Through his unyielding commitment to education, Bill Haley made significant contributions to his fellow Texans, and his warmth, kindness, and sense of humor enriched the lives of all who were privileged to know him; now, therefore, be it
