

SENATE JOURNAL

EIGHTY-NINTH LEGISLATURE — REGULAR SESSION

AUSTIN, TEXAS

PROCEEDINGS

FORTY-EIGHTH DAY

(Continued)

(Saturday, May 31, 2025)

AFTER RECESS

The Senate met at 12:29 p.m. and was called to order by President Pro Tempore Creighton.

Senator King offered the invocation as follows:

Father, we come to You today and in the book of James, You had James write that all wisdom comes from You so we're asking for that this morning, to get this session wrapped up in the way where we're doing the best thing for the State of Texas and for all the people here. We're a little bowed up and we're tense and we all suffer from pride and we've been working on things and, I know, Paul wrote to a church in Philippi that we're to always consider others above ourselves, that we're always to practice humility, do nothing out of selfish ambition or vain conceit. And then, of course, Jesus said on the, in Sermon on the Mount that we're to be peacemakers and that peacemakers would actually be known as sons of God. And so, Father, I guess that's what we ask the last couple of days, I just pray that You'd give us all a lot of wisdom, that you give us a lot of humility, and that You'd help us all to find ways to be peacemakers as we negotiate and work through all this. We confess our sins to You, and we thank You that Jesus died on the cross for all of those and if we'll just accept His salvation. In Jesus' name I pray. Amen.

SENATE BILL 1 ADOPTED**

On motion of Senator Huffman, the Conference Committee Report was adopted by the following vote: Yeas 30, Nays 0.

Absent: Hancock.

REMARKS ORDERED PRINTED

On motion of Senator West and by unanimous consent, the remarks by Senators Huffman and West regarding the Conference Committee Report on **SB 1** were ordered reduced to writing and printed in the *Senate Journal* as follows:

Senator West: Senator Huffman.

Senator Huffman: Yes.

Senator West: Childcare.

Senator Huffman: Childcare. Okay.

Senator West: \$100 million new dollars going into childcare. I think it's in Article IX.

Senator Huffman: Yes.

Senator West: Would you expand, expound a little bit on that?

Senator Huffman: Yes.

Senator West: Okay.

Senator Huffman: The additional 100.6, 106.8 million, first of all let me say that Senate Bill 1 includes 3.3 billion in all funds for childcare.

Senator West: That's as filed?

Senator Huffman: As filed.

Senator West: Umh hmm.

Senator Huffman: This is an increase of 701.7 million in federal childcare and developmental funding over fiscal year 24-25 as an, and it's because of federal allocation because of the state's growth. So, but on top of that we found another 106.8 million and we utilized, actually utilized federal funds, available federal funds, but we

just found, with the help of LBB, a way to do it to serve additional eligible children through the childcare assistance program and with this additional assistance the agency can serve an additional 10,000 children in fiscal—

Senator West: How ma—

Senator Huffman: —year—

Senator West: —how many, how many?

Senator Huffman: —10,095 children in fiscal year '26 and 9,804 children in fiscal year '27, additionally.

Senator West: Would you agree with me that LBB actually earned its keep?

Senator Huffman: They certainly did. I think that was Julie Lindsey who did that.

Senator West: That, that's great.

Senator Huffman: Yes.

Senator West: That is great. And I want to thank you and Chairman Bonnen for making certain that you heard some of the Senators that were advocating for additional monies for childcare and I'm hoping that we can continue to address the childcare issues of this state. So, I want to thank you for that.

Senator Huffman: Yes, it's an important issue and we heard from the Senators, we also heard from people throughout the state and many of our businesses throughout the state who were concerned about this issue.

Senator West: I want to go to Texas Southern University—

Senator Huffman: Okay.

Senator West: —and thank you and Chairman Bonnen and the Lieutenant Governor for working with us on, specifically, the Thurgood Marshall School of Law.

Senator Huffman: Yes.

Senator West: And we have looked at that through the Facilities Commission at the request of the president of Texas Southern and we put a rider in their budget, but there's some confusion in terms of the language in the rider talks about doing a study concerning to look at renovation. We're not looking at renovating Texas Southern, we're looking at, what are we, what are we attempting to do?

Senator Huffman: Well, my understanding and, of course, we'll have to let the facility commission do their study and look at it, but my understanding was the building would, was perhaps not in the appropriate condition to renovate, that it may be more cost effective to tear it down and design and rebuild. So, our intention is to, handed me it, our intention is to, I'm going to look at the rider specifically—

Senator West: Okay.

Senator Huffman: —because I don't want to mis—

Senator West: Go ahead.

Senator Huffman: —quote anything. It says for the purpose of a study relating to renovations, but I do not think anyone is ruling out the possibility that it would require more than renovations. So, we're going to leave it to the Facilities Commission to take a look at it, to see what is happening, and to see what's the best course. But \$10 million is a lot of money, and I think that should be enough so that they could, if they determine that it needs to be rebuilt, designed and rebuilt, that they would certainly have enough money with that to get started—

Senator West: Because I thought—

Senator Huffman: —but—

Senator West: —I mean, I thought the primary purpose was for them to go in and look at bringing back a design and rebuild plan for the law school as opposed to renovation.

Senator Huffman: I think, I think we want them to study what is the most cost efficient and the best thing for the university and that's what we'll have to tell them to do and I'm happy to tell them that.

Senator West: Okay, but we want them to work in conjunction with the university to also look at designing a new facility, too. Is that correct?

Senator Huffman: If that's what they determine is the appropriate thing to do, yes.

Senator West: So, is it clear?

Senator Huffman: But it will be through the Facilities Commission not through the university.

Senator West: Well, I understand and that's—

Senator Huffman: Yeah.

Senator West: —what the president asked for. Is it the Facilities Commission's determination or is that a recommendation that they need to make?

Senator Huffman: I think it's going to be once they get in there and look it and decide what they need to do they'll probably get back to, I would assume back to the LBB, the Legislative Budget Board, so that, you know, the Speaker and the Chair of Finance and the Chair of Appropriations, Lieutenant Governor, to kind of let us know where they are and then we can make recommendations from there.

Senator West: Okay, so—

Senator Huffman: During the interim I'm talking about.

Senator West: I understand during the interim but—

Senator Huffman: —keep things going, yeah.

Senator West: —I mean, it's—

Senator Huffman: Yeah.

Senator West: —real clear that the accreditation of the university was called into question—

Senator Huffman: Yes.

Senator West: —by the accreditors because of the condition of the facility and it is my hope and desire that as they go through looking at it in conjunction with Texas Southern that we approve next session the tearing down of the facility and making certain that we get a new facility for a law school that's been there for over 50 years.

Senator Huffman: My experience has been usually when the state invests \$10 million that they have intention to follow through with the project.

Senator West: Very good.

Senator Huffman: Yes.

SENATE RESOLUTION 709

Senator Bettencourt offered the following resolution:

BE IT RESOLVED by the Senate of the State of Texas, 89th Legislature, Regular Session, 2025, That Senate Rule 12.03 be suspended in part as provided by Senate Rule 12.08 to enable the conference committee appointed to resolve the differences on Senate Bill 568 (relating to special education in public schools, including funding for special education under the Foundation School Program) to consider and take action on the following matters:

(1) Senate Rule 12.03(1) is suspended to permit the committee to change, alter, or amend text not in disagreement in proposed SECTION 5 of the bill, by amending added Section 29.001(c)(6)(C), Education Code, to read as follows:

(C) appropriately trained personnel are available to students with disabilities who have significant behavioral support needs, including by making behavioral support training available to each paraprofessional or teacher placed in a classroom or other setting that is intended to provide specialized behavioral supports to a student with a disability, as needed or at regular intervals as provided in the student's individualized education program;

Explanation: This change is necessary to clarify to whom behavioral support training must be made available to ensure appropriately trained personnel are available to students with disabilities who have significant behavioral support needs.

(2) Senate Rule 12.03(4) is suspended to permit the committee to add text on a matter not included in either the house or senate version of the bill in proposed SECTION 12 of the bill, in amended Section 29.008(c), Education Code, to read as follows:

If a [~~residential~~] placement primarily for care or treatment reasons involves a private [~~residential~~] facility in which the education program is provided by the school district, the portion of the costs that includes appropriate education services, as determined by the school district's admission, review, and dismissal committee, shall be paid from local, state, and federal education funds.

Explanation: This change is necessary to allow school districts to pay the cost for certain placements in a private facility from local funds.

(3) Senate Rule 12.03(2) is suspended to permit the committee to omit text not in disagreement by omitting the portion of proposed SECTION 24 of the bill that adds Section 29.024, Education Code. The omitted text reads:

Sec. 29.024. GRANT PROGRAM PROVIDING TRAINING IN DYSLEXIA FOR TEACHERS AND STAFF. (a) From money appropriated or otherwise available for the purpose, the commissioner shall establish a program to award grants each school year to school districts and open-enrollment charter schools to increase local capacity to appropriately serve students with dyslexia.

(b) A school district, including a school district acting through a district charter issued under Subchapter C, Chapter 12, or an open-enrollment charter school, including a charter school that primarily serves students with disabilities, as provided under Section 12.1014, is eligible to apply for a grant under this section if the district or school submits to the commissioner a proposal on the use of grant funds that:

(1) incorporates evidence-based and research-based design; and

(2) increases local capacity to appropriately serve students with dyslexia by

providing:

(A) high-quality training to classroom teachers and administrators in meeting the needs of students with dyslexia; or

(B) training to intervention staff resulting in appropriate credentialing related to dyslexia, with priority for training staff to earn the credentials necessary to become a licensed dyslexia therapist or certified academic language therapist.

(c) The commissioner shall create an external panel of stakeholders, including parents of students with disabilities, to provide assistance in the selection of applications for the award of grants under this section.

(d) A grant awarded to a school district or open-enrollment charter school under this section is in addition to the Foundation School Program money that the district or charter school is otherwise entitled to receive. A grant awarded under this section may not come out of Foundation School Program money.

(e) The commissioner and any grant recipient selected under this section may accept gifts, grants, and donations from any public or private source, person, or group to implement and administer the grant. The commissioner and any grant recipient selected under this section may not require any financial contribution from parents to implement and administer the grant.

(f) A regional education service center may administer grants awarded under this section.

Explanation: This change is necessary to omit language that would authorize the commissioner of education to establish a grant program to provide training in serving students with dyslexia to school district and open-enrollment charter school teachers and staff.

(4) Senate Rule 12.03(1) is suspended to permit the committee to change, alter, or amend text not in disagreement in proposed SECTION 27 of the bill, by amending Section 29.042(a), Education Code, to read as follows:

Subject to Subsection (c), the agency shall provide each student approved as provided by this subchapter a grant of not more than \$1,500 to purchase supplemental [~~special education~~] services and supplemental [~~special education~~] instructional materials.

Explanation: This change is necessary to provide the amount of the grant provided under Subchapter A-1, Chapter 29, Education Code.

(5) Senate Rule 12.03(4) is suspended to permit the committee to add text on a matter not included in either the house or senate version of the bill in proposed SECTION 27 of the bill, by adding Section 29.042(f), Education Code, to read as follows:

(f) A regional education service center designated to administer the program under this subchapter for a school year is entitled to receive not more than four percent of the amount appropriated for purposes of making grants under this subchapter for that school year for the costs of administering the program.

Explanation: This change is necessary to clarify the amount of money a regional education service center may receive for administering the program under Subchapter A-1, Chapter 29, Education Code.

(6) Senate Rule 12.03(1) is suspended to permit the committee to change, alter, or amend text not in disagreement in proposed SECTION 28 of the bill, in amended Section 29.045, Education Code, to read as follows:

Subject to available funding the agency shall approve each student who meets the program eligibility criteria established under Section 29.044 and assign to the student an account maintained under Section 29.042(b).

Explanation: This change is necessary to ensure that the approval of and assignment of accounts to eligible students under the program under Subchapter A-1, Chapter 29, Education Code, are subject to available funding.

(7) Senate Rule 12.03(2) is suspended to permit the committee to omit text not in disagreement by omitting the portion of proposed SECTION 63 of the bill that adds Section 48.306, Education Code. The omitted text reads:

Sec. 48.306. PARENT-DIRECTED SERVICES FOR STUDENTS RECEIVING SPECIAL EDUCATION SERVICES GRANT. (a) A student to whom the agency awards a grant under Subchapter A-1, Chapter 29, is entitled to receive an amount of \$1,500 or a greater amount provided by appropriation.

(b) The legislature shall include in the appropriations for the Foundation School Program state aid sufficient for the agency to award grants under Subchapter A-1, Chapter 29, in the amount provided by this section.

(c) A student may receive one grant under Subchapter A-1, Chapter 29, unless the legislature appropriates money for an additional grant in the General Appropriations Act.

(d) A regional education service center designated to administer the program under Subchapter A-1, Chapter 29, for a school year is entitled to an amount equal to four percent of each grant awarded under that subchapter for that school year.

(e) Notwithstanding Section 7.057, a determination of the commissioner under this section is final and may not be appealed.

Explanation: This change is necessary to omit language that would provide an entitlement to a grant under Subchapter A-1, Chapter 29, Education Code, or to an amount for administering the program under that subchapter.

The funding weight for this arrangement shall be 4.0 for those students who receive their education service on a local school district campus. ~~[(h) At least 55 percent of the funds allocated under this section must be used in the special education program under Subchapter A, Chapter 29.~~

~~(e) [(+) The agency shall ensure [~~encourage~~] the placement of students in special education programs, including students in residential placement [~~instructional arrangements~~], in the least restrictive environment appropriate for their educational needs.~~

~~(f) [(+) A school district that provides an extended year program required by federal law for special education students who may regress is entitled to receive funds in an amount equal to [75 percent, or a lesser percentage determined by the commissioner, of] the basic allotment, or, if applicable, the sum of the basic allotment and the allotment under Section 48.101 to which the district is entitled for each [full-time equivalent] student in average daily attendance, multiplied by the amount designated for the highest tier of intensity of service for which the student qualifies [student's instructional arrangement] under this section, for each day the program is provided divided by the number of days in the minimum school year. [The total amount of state funding for extended year services under this section may not exceed \$10 million per year.] A school district may use funds received under this section only in providing an extended year program.~~

~~(g) [(+) From the total amount of funds appropriated for special education under this section, the commissioner shall withhold an amount specified in the General Appropriations Act, and distribute that amount to school districts for programs under Section 29.014. The program established under that section is required only in school districts in which the program is financed by funds distributed under this subsection and any other funds available for the program. After deducting~~

the amount withheld under this subsection from the total amount appropriated for special education, the commissioner shall reduce each district's allotment proportionately and shall allocate funds to each district accordingly.

(h) Not later than December 1 of each even-numbered year, the commissioner shall submit to the Legislative Budget Board, for purposes of the allotment under this section, proposed weights for the tiers of intensity of service for the next state fiscal biennium.

SECTION 56. Subchapter C, Chapter 48, Education Code, is amended by adding Sections 48.1021 and 48.1022 to read as follows:

Sec. 48.1021. SPECIAL EDUCATION SERVICE GROUP ALLOTMENT. (a-1) Notwithstanding Subsection (a), for the 2026-2027 school year, the amount of an allotment under this section shall be determined in accordance with Section 48.1022. This subsection expires September 1, 2027.

(b) The commissioner by rule shall establish at least four service groups for use in determining funding under this section. In establishing the groups, the commissioner must consider:

(3) any identified or curriculum-required provider-to-student ratios for the student to receive the appropriate services; and

(4) any equipment or technology required for the services.

(c) At least 55 percent of the funds allocated under this section must be used for a special education program under Subchapter A, Chapter 29.

Section 1412(a)(18) and maintenance of local financial support under applicable federal law.

(b) For the 2026-2027 school year, the commissioner shall determine the formulas through which school districts receive funding under Sections 48.102 and 48.1021. In determining the formulas, the commissioner shall ensure the estimated statewide amount provided by the sum of the allotments under Sections 48.102 and 48.1021 for the 2026-2027 school year is approximately \$250 million greater than the amount that would have been provided under the allotment under Section 48.102, as that section existed on September 1, 2025, for that school year, calculating both amounts using the basic allotment in effect for the 2026-2027 school year.

(c) Each school district and open-enrollment charter school shall report to the agency information necessary to implement this section.

(d) The agency shall provide technical assistance to school districts and open-enrollment charter schools to ensure a successful transition in funding formulas for special education.
